

GLOBAL

WARMING

It seems as though mankind cannot get concerned about certain matters until he is affected to the point of pain, then he finally wakes up to the fact that something is definitely wrong. We are at that point now when what man has done to the earth and firmament is beginning to be felt. So now they're firmly saying this global warming is man-made and we must act now before it's too late. "You need to do something. But what?" "I don't know! But you need to do something."

The Cause?

The reasons that nothing has been done to change the global mess man has caused is because:

- 1 the real cause is not known, or...
- 2 changing the cause would mean changing our lifestyles, so...

Mankind is bound up in his ways. Even though he hates almost every minute of his miserable life he still keeps pursuing the same lifestyle. He's like a dog chasing his tail, hoping to soon find peace and satisfaction. Yet, it should be obvious, after 6,000 years of misery, that the ways he has been taught bring nothing but what he has already experienced, and getting worse. Now he sees destruction on the horizon. But what does destruction have to do

with global warming? You really need our June, 2007 issue of *The Prophetic Word* magazine and/or our book, *Birth of the Nuclear Baby*, now!

Yahweh's Warning

Yahweh created the earth and the heavens that govern the earth for man. Then He created mankind for the purpose of making him into the Perfect Image and Likeness of Yahweh Himself and to give mankind Authority to rule as Yahweh rules, serving peace and abundant living to all beings in the universe.

Yahweh warned mankind from the very beginning that everything was made perfect, but if mankind changed it from its perfect state or the use for which it was created, they would bring upon themselves defilement and death. "Dying you will die" is the original Hebrew text of **Genesis 2:17**. Rendered into English it reads:

● Genesis 2:17—

But of the tree of the knowledge of Righteousness and evil you must not eat, for in the day that you eat of it you will surely die.

Misery starts with the smallest sin.

Well, not only did they rebel against Yahweh's Instructions, they also became so confused from defiling their bodies with sin that they became violent fools and had to be destroyed.

We see this in:

● Genesis 6:5, 11-13—

5 Then Yahweh saw that the wickedness of man was great in the earth, and every intent of the thoughts of man's heart was only evil, continually.

11 The earth also was corrupt before Yahweh, and the earth was lawless, filled with violence.

12 So Yahweh looked upon the earth, and indeed it was corrupt; for all mankind had corrupted their way on the earth.

13 And Yahweh said to Noah: The end of all mankind has come before Me, for the earth is filled with violence through them; and they; mankind, have corrupted themselves with the earth.

Then, through Noah, Yahweh gave to mankind Righteous Teachers to teach him the Laws of preservation and Righteousness. In following these teachers, mankind would be at peace and have an abundant, healthy food supply. Again came the warning, don't do these things, don't break these Laws, or you will defile yourself, the land, the water and the air, and you will bring upon yourself sickness, disease, and confusion of mind until you destroy yourself and the earth.

To Your Health

The first thing mankind did to hurt himself or bring himself down was to begin practicing eating unclean animals, such as rabbit, squirrel, pig/swine, from which comes ham, bacon, pork sausage, etc. At that point,

sickness and disease started developing. Mankind knew they were getting sick when they felt pain, but never associated it with breaking the rules (Laws) of health that Yahweh had

provided them to protect them from unclean parasites entering the brain and causing confusion. The Wisdom of Yahweh was cast aside and the search for “cures” for all their diseases began.

Of course, this led to the use of drugs, in which there is big money to be made. Drugs also confuse the mind.

Neither did they repent of their...sorceries...
Revelation 9:21

GREAT WISDOM IN THE EARLY DAYS

In the very beginning, Adam was taught that there were clean and unclean animals. He even gave names to all of them. Yahweh, as is shown, instructed Noah to put so many clean and so many unclean animals into the ark. So, what does unclean mean when speaking of animals, and what do unclean animals have to do with global warming?

The cause of global warming is much more complex than anyone could ever imagine. Like the body and brain, the firmament is a very complex, compact, constructed, individual working system. Its parts work together somewhat like a machine or the mechanism of the universe; like the body working together to accomplish anything the brain can imagine. The evil the brain is capable of imagining depends on how sick it has become from the uncleanness it has been fed.

Notice the warning in **Leviticus** concerning the great mechanism of the body and its guiding brain.

● **Genesis 7:1-2—**

1 Then Yahweh said to Noah: Come into the ark, you and all your household, for I have seen you Righteous before Me in this generation.

2 You shall take with you seven pairs of every clean animal, a male and his female; two of animals that are unclean, a male and his female

Unclean?

● **Leviticus 11:2-13—**

2 Speak to the children of Israyl, saying: These *are* the animals you may eat among all the beasts upon the land:

3 You may eat any animal that has a split hoof, completely divided, and which chews the cud; these you may eat.

4 Nevertheless, there are some that only chew the cud, or only have a split hoof, you must not eat these: the camel, because it chews the cud, but does not have a split hoof, it is unclean to you.

5 The coney, or *rock badger*, because it chews the cud, but does not have a split hoof, it is unclean to you;

6 The rabbit, because it chews the cud, but does not have a split hoof, it is unclean

to you;

7 And the pig, although it has a split hoof completely divided, yet it does not chew the cud; it is unclean to you.

8 Their meat you shall not eat, and their carcasses you shall not touch. They are unclean to you.

9 These you may eat of all that *are* in the waters: whatever has *both* fins and scales in the waters, whether in the seas or in the rivers, that you may eat.

10 But everything in the seas or in the rivers that does not have *both* fins and scales, whether among all the fish that school, or among all the other living creatures in the water: they are an abomination;

11 And they will be an abomination to you. You must not eat their flesh, but you shall regard their carcasses as an abomination.

12 Whatever is in the waters, not having *both* fins and scales, is to be abominable to you.

13 These you shall regard as abominable among the birds; they shall not be eaten, for they are an abomination: the eagle, the vulture, the buzzard.

The Hebrew word translated **abomination** in **verses 11 and 13** means something that will enter your bloodstream and cause a disruption of actions in your body. In the English language, these disruptions are called sickness and disease.

The Hebrew word translated **abominable** actually means you will or did get something micro, you can't see it with your naked eye, from an unclean animal that has entered your bloodstream and has caused a disruption in your body, called sickness and disease, that can be passed on to others by what is called heredity or through contact. So in these ancient Hebrew words, we see wisdom that modern scientists are only now discovering.

Microorganisms are known to pass from what Yahweh calls an unclean animal to a person and enter that person's blood and even his genes. **Gene** or **genetics** is defined as *any of the units occurring at specific points on the chromosomes by which hereditary characters are transmitted and determined, consisting primarily of DNA and protein.*

Both the DNA and the protein become carriers of the uncleanness from as far back as the fourth generation of sinners. Sin is breaking the Laws that Yahweh gave to protect us and our children. How could our forefathers have known this around 1490 BCE?

They did, and they warned us not to eat or touch the dead carcasses of unclean animals or we would make ourselves sick. Dying we would die. With each sin committed, we can start the process of dying within different parts of our bodies. It is possible to get sickness and disease from this act that can be, and is now being passed on to others, even our children in the form of birth defects and mental illness. Remember, a birth defect is a portion of the body that has been killed or injured from a sin committed by the mother, father, or ancestor from four generations back.

Hitler had a mental illness that made him want to kill all Hebrew people who had any form of Righteousness. Hitler was a Hebrew himself who inherited this sickness, possibly from eating pork, or maybe from his father, grandfather, or great grandfather who ate pork, which confused his mind. This confusion made him think it was a “righteous” thing to murder his brothers who were trying to live by any part of the Holy Scriptures. He is said to have murdered over six million Hebrews in and around Germany.

We see in Scripture another murderer with the same sick mind.

● **Genesis 4:6-8—**

6 So Yahweh said to Cain: Why are you angry? Why are you downcast?

7 If you do Righteousness, will you not be accepted? And if you do not do Righteousness, sin *is* crouching at your door. The desire to sin is with you, but you must overcome it!

8 Now Cain talked with Abel his brother; and it came to pass, when they were spread abroad, that Cain rose against Abel his brother and killed him.

Compare:

● **I Yahchanan 3:4, 7-8, 10-13—**

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

11 For this is the Message that you heard from the beginning, that we should love one another.

12 Not as Cain, who was of that wicked one, and murdered his brother. And why did he murder his brother? Because his works were evil, and his brother's were Righteous.

13 Do not marvel, my brothers, if the world hates you.

Righteous?

● Deuteronomy 6:25—

And it will be our Righteousness if we observe to do all of these Laws before Yahweh our Father, as He has commanded us.

● I Yahchanan 3:7-8—

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

Why did Hitler hate his fellow Hebrews? Why did Cain hate his Hebrew brother? Compare another scientific fact. In the Book of Leviticus Yahweh shows things we can do to alter the mind and cause confusion. You should read the whole chapter of Leviticus 18, but for now notice:

● Leviticus 18:19, 24, 30—

19 Also, you shall not have sexual relations with a woman during the uncleanness of her monthly period; *niddah*, nor during any similar uncleanness; *zavah*.

24 Do not defile yourselves in any of these ways, for this is how the nations who are going to be driven out before you became defiled:

30 Therefore you shall keep My Ordinance, and commit none of these abominable customs, which were committed before you, and that you do not defile yourselves with them. I am Yahweh your Father.

If you study those words and the Hebrew from which they were translated, you will see in the last part of **verse 19** that this brings uncleanness and in **verse 24** we see that it defiles you. Notice the meaning of the word **defile**.

de-file 1. to make filthy or dirty; pollute 2. to make ceremonially unclean 3. to corrupt 4. to profane or sully (as a person's name) 5. [Archaic] to violate the chastity of; deflower

Notice the word profane in the definition of defile.

pro-fane 1. not connected with religion or religious matters; secular 2. not initiated into the inner mysteries or esoteric knowledge of something 3. not hallowed or consecrated 4. showing disrespect or contempt for sacred things; irreverent — -fane, -fane-ing
1. to treat (sacred things) with irreverence or contempt; desecrate 2. To put to a base or improper use; debase; defile

Scientifically speaking, we are being shown that practicing certain activities causes a change in one's mind to the point that disrespect or contempt (hatred) for Righteousness starts being openly shown. One scientific cause is shown in:

● Leviticus 18:19, 24, 30—

19 Also, you shall not have sexual relations with a woman during the uncleanness of her monthly period; *niddah*, nor during any similar uncleanness; *zavah*.

24 Do not defile yourselves in any of these ways, for this is how the nations who are going to be driven out before you became defiled:

30 Therefore you shall keep My Ordinance, and commit none of these abominable customs, which were committed before you, and that you do not defile yourselves with them. I am Yahweh your Father.

Verse 19 forbids having sexual relations with a woman during the uncleanness of her monthly period. Scientific tests prove that micro-organisms in the blood of cleansing during the uncleanness of her monthly period actually alters the brain and makes the thinking sluggish.

Effect of menotoxin injections on behavior of rats in the maze.

From the Pharmacological Laboratory, John Hopkins University, Baltimore, Md. Excerpt

Macht and Lubin¹ have described their studies on menotoxin first in these Proceedings and later in a fuller communication elsewhere.² It was shown that in the blood, sweat, saliva, milk and other secretions of menstruating women there is present a toxin, which is especially deleterious to plant protoplasm, but is also...for animals and animal tissues. The chemical nature of this toxin was found by them to bear a relationship to oxysterin and allied bodies such as cholic acid.

It is well known that at the time of catamenia, the female organism undergoes profound metabolic and other physiological changes.

Very common concomitants of menstruation are pain, malaise, nervous irritability, and psychic disturbances. In the present investigation an inquiry was made as to whether such symptoms may not be referred to the presence of menstrual toxins.

Albino rats were trained to run in the circular maze, so as to perform that exercise in the shortest period of time and without errors. The rats were then injected with normal human blood serum on the one hand, and with blood serum from menstruating women, on the other hand, and the effect of the injections was observed. In order to avoid anaphylactic phenomena the injections were made in different rats, and when the same rats were used again, it was only after a long period of rest. Fifteen experiments were made with injections of normal human serum, and twenty-one with menstrual serum, the doses injected ranging from 0.01 cc. to 0.2 cc.

It was found that injections of normal serum produced no effect, or occasionally a slight transient depression. Injections of menstrual serum produced very marked depression of the animals, as manifested by their speed of running, loss of orientation, and numerous errors and frequently there was a distinct paresis of the hind legs.

This knowledge, which is written in the **Book of Leviticus**, came from Yahweh

and was given to mankind around 1490 BCE. Scientists did not make this discovery until the Prophecy of Daniyl (**Daniyl 12:4**) was fulfilled--the microscope was invented within the last one hundred years.

We should be ashamed of passing up the Great Wisdom of Yahweh in order to follow sodomites in their rebellion against Yahweh's Laws of Righteousness.

We saw in **Leviticus 18:30** that practicing these customs defiles the persons, causing diseases or sickness that are then passed on to others with whom we make contact, as well as to their offspring, causing birth defects.

● **Leviticus 18:30—**

Therefore you shall keep My Ordinance, and commit none of these abominable customs, which were committed before you, and that you do not defile yourselves with them. I am Yahweh your Father.

We further see from the Wisdom of Yahweh in **Leviticus 18:23** that the practice of this activity defiles the person, causing sickness in the body and creates confusion and perversion in the mind. The rat in the maze showed the same confusion.

Why did Hitler hate Righteousness and try to murder everyone seeking Righteousness? The thought does not seem possible. Why did Cain kill Abel, his own brother? Why did the popes murder millions of people for owning the Writings of Yahweh's Holy Prophets? Why did the crusaders try to get their victims to eat pork before they murdered them? The cruel things the roman catholics did to their victims were merciless.

Notice the strong point the Great Prophet Isayah stresses about the catholic priests while they were ruling Yerusalem and Israyl before they moved to Rome and changed their name to catholic, which means universal.

● **Isayah 65:1-7—**

1 I am sought by *those who* did not ask for Me; I am found by *those who* did not seek Me. I said: Here I am, here I am, to a nation *that* was not called with My Name.

2 I have spread out My Hands all the day to a rebellious people, who walk in a way *which is* not right, after their own thoughts; *devices*;

3 A people who act defiantly against Me continually to My Face; who sacrifice in gardens, and burn incense on altars of brick;

4 Who assemble and spend the night keeping memorials for the dead, who eat swine's flesh, and the broth of abominable things; unclean foods, is *in* their vessels,

5 Who say; Stand by yourself! Do not come near me, for I am holier than you! These *are* a smoke in My nostrils, a fire that burns all the day.

6 Behold, *it is* written before Me; I will not keep silence, but will recompense, even recompense into their bosom—

7 Your iniquities and the iniquities of your fathers together, says Yahweh: who have burned incense upon the mountains, and blasphemed Me upon the hills. Therefore I will measure their former work into their bosom.

In **verse 4** notice, the priest and people eat swine's flesh. This sin is still practiced today. Violence is increasing daily as the world follows the priests that eat swine's flesh; as did Hitler and Cain. This practice is against Yahweh's Laws written in:

● **Leviticus 11:7-8—**

7 And the pig, although it has a split hoof completely divided, yet it does not chew the cud; it is unclean to you.

8 Their meat you shall not eat, and their carcasses you shall not touch. They are unclean to you.

● **Deuteronomy 14:8—**

And the swine; *the pig*, is unclean for you; although it has a split hoof, it does not chew the cud. You must not eat their meat, nor touch their carcasses.

In **Isayah 65:4** we see another practice against Yahweh's Laws, keeping memorials to the dead; a tradition still practiced today known as halloween.

Why did the popes make it a death penalty to own a bible or to practice the Laws written in the Holy Scriptures? Look at the definitions of the words **defile** and **profane** again. Notice what eating swine causes.

de-file 1. to make filthy or dirty; pollute 2. to make ceremonially unclean 3. to corrupt 4. to profane or sully (as a person's name) 5. [Archaic] to violate the chastity of; deflower

pro-fane 1. not connected with religion or religious matters; secular 3. not hallowed or consecrated 4. showing disrespect or contempt for sacred things; irreverent — **-fane**, **-fan-ing** 1. to treat (sacred things) with irreverence or contempt; desecrate 2. debase; defile

Could that be why the Savior, Yahshua Messiah, said, all are fools that do not believe the Prophets?

● **Luke 24:25—**

Then He said to them: O fools, and slow of heart to believe all that the Prophets have spoken!

Why did the Great Prophet of Yahweh say that people who eat pork would be destroyed in The End or last generation?

● **Isayah 66:17—**

They who sanctify themselves, and purify themselves in the gardens, following after the priest in the midst of those who eat swine's flesh, that which is offered to gods (elohim) and the rodent—will be consumed together: says Yahweh.

Notice how they are destroyed.

● **Revelation 20:11-15—**

11 And I saw a Great White Throne, and Him Who sat on it, from Whose Face the powers of the earth and the powers of the heavens, the Gods (elohim), were driven away; for the verdict was reached that there is no place for them.

12 And I saw the dead, small and great, standing before Yahweh. And the books were opened; and another book was opened, which is *The Book of Life*. And the dead were judged out of those things which were written in the books, according to their works.

13 And the sea gave up the dead which were in it; and death and sheol; *the grave*, delivered up the dead which were in them. And they were judged, every man, according to his works.

14 And death and sheol were cast into the lake of fire. This is the second death.

15 And whoever was not found written in *The Book of Life* was cast into the lake of fire.

Why were the Apostles so adamant in showing that the Kingdom of Heaven would not receive those who eat pork?

● **II Corinthians 6:17—**

Therefore: Come out from among them and be separate, says Yahweh. Do not touch the unclean thing, and I will receive you.

Does eating swine's flesh cause in the mind of man a lack of caring for or loving his brother or neighbor? Notice the Apostle's writings in:

● **I Yahchanan 3:10—**

In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

The Savior said that in the Last Days, iniquity would abound and love would grow cold.

● **Mattithyah 24:11-12—**

11 And many false prophets will rise, and will deceive the many.

12 And because iniquity will abound, the love of the many will grow cold.

When people practice breaking Yahweh's Laws they do not love, as the Apostle says. Notice further:

● **I Yahchanan 3:11-13—**

11 For this is the Message that you heard from the beginning, that we should love one another.

12 Not as Cain, who was of that wicked one, and murdered his brother. And why did he murder his brother? Because his works were evil, and his brother's were righteous.

13 Do not marvel, my brothers, if the world hates you.

Now notice the next one carefully because the Apostle is showing that those who practice breaking Yahweh's Laws do not have love.

● **I Yahchanan 3:10—**

In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

Compare this with the Savior's Words.

● **Mattithyah 24:11-12—**

11 And many false prophets will rise, and will deceive the many.

12 And because iniquity will abound, the love of the many will grow cold.

The Savior is saying the same thing the Apostle said. You should see now why the violence is getting worse and why no person who eats swine's flesh (pig/pork) will enter Yahweh's Kingdom. The answer is simple, they cannot love.

Love is the greatest of the Laws of Yahweh. Notice:

● **Mattithyah 22:36-39—**

36 Teacher, what is the greatest commandment in the Laws?

37 Yahshua said to him: You must love Yahweh your Father with all your heart, and with all your soul, and with all your might.

38 This is the first and greatest commandment.

39 And the second is like it: You shall love your neighbor as yourself.

● **Deuteronomy 6:5—**

And you must love Yahweh your Father with all your heart, and with all your soul, and with all your might.

● **Leviticus 19:18—**

Do not seek revenge nor bear a grudge against one of your own people; but you shall love your neighbor; *whether a brother or an enemy*, as yourself. I am Yahweh.

Please read again and believe the Prophets and Apostles.

● **Luke 24:25—**

Then He said to them: O fools, and slow

of heart to believe all that the Prophets have spoken!

● **I Yahchanan 3:10—**

In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

● **Isayah 66:17—**

They who sanctify themselves, and purify themselves in the gardens, following after the priest in the midst of those who eat swine's flesh, that which is offered to gods (elohim) and the rodent—will be consumed together: says Yahweh.

● **II Timayah 3:1-3—**

1 Know this also: that in the last days perilous times will come.

2 For men will be lovers of themselves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,

3 Without natural affection, trucebreakers, *unforgiving*, false accusers, without self-control, brutal, despisers of those who are righteous,

Could this be why there is so much confusion and hatred in the world today? The Savior spoke of the Last Days, the last generation of man's governments of and by the people as being a time period when mankind would reject Yahweh's Laws the most and have the greatest hatred ever. Notice His Words carefully.

● **Mattithyah 24:3, 7, 11-12—**

3 Now as He sat on the Mount of Olives, the Disciples came to Him privately, saying; Tell us, when will these things be? What *will* be the sign of Your coming and The End of the Ages?

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; *disease epidemics*, and earthquakes; *natural disasters*, in place after place:

11 And many false prophets will rise, and will deceive the many.

12 And because iniquity will abound, the love of the many will grow cold.

Verse 7 shows extreme hatred with nation against nation and kingdom against kingdom. **V**erse 11 shows religions against the Creator Yahweh. **V**erse 12 shows the extreme rejection against Yahweh's Laws, that if broken would cause sickness, disease and now extreme confusion with deep hatred. This generation not only eats pork by itself but they also mix it and blood into just about every product on the market, even the herbs and drugs they give you for the sicknesses and diseases you get from eating pork contain pork. Yes, some of the ingredients used in many products come from pork.

THE MIND OF MAN

Although thousands of studies have been made, and are still being made, on mankind's brain, the conscious and subconscious mind, science still knows very little about the mind and how it works with every nerve of the body. Many people have described the brain of mankind as a ball of jelly encased inside a bowl of bone. That may be how it appears, but inside that bowl of bone is a live computer with unlimited storage capacity that can never be overfilled. In fact, the more information it's supplied the better it works. It never runs out of memory space like the factory computers.

The computer in Brussels, Belgium and its counterpart in New York are the greatest in the world. They are capable of giving everyone on earth a number; yet, the greatest computers in the world cannot store 1/10,000th as much information as your subconscious mind. Plus the brain, conscious and subconscious mind, never wears out. It just gets greater and greater. It doesn't need to increase in size, ever. It was created and designed to last forever. Much more information is given on the brain in our book, *There Is Someone Out There!*

Mankind was created by Yahweh in His Image and Likeness for the purpose of giving those who choose to become perfect in Righteousness Authority over all the works that Yahweh, the Creator, created. Notice:

● Genesis 1:26—

Then Yahweh said: I will make man in My Image, according to My Likeness; they will have rulership over the fish of the sea, over the birds of the air, over the cattle, and over all the earth and over every creeping thing that creeps upon the earth.

● Psalm 8:1-6—

1 How excellent is Your Great Name in all the earth, Yahweh our Father! You have Your Glory firmly set above the starry frame; *the heavens*.

2 From the mouths of babes and sucklings strength by You is ordained, so You would still the enemy; the avenger would be crushed!

3 When we consider Your heavens, the work Your Fingers framed, the work of the moon and of the stars, which were by You ordained;

4 What is man that You are mindful of him? And the son of man, that You visit him?

5 For You have made him a little lower than the malakim, but You will crown him with glory and honor.

6 You made man to be the ruler over the works of Your Hands; You will put all things under his feet.

That's the only purpose for mankind. There is no need for those who do not fit the purpose for which they were made. In fact, if they were left alive, they would bring disruption to the Righteous, just as they are doing today. They would bring curses, plagues, hatred, sickness,

disease, and death to all those around them, even the firmament.

Yahshua was the first to receive this Authority, as we are told in:

● Hebrews 1:1-3—

1 Yahweh, Who at various times and in different ways spoke in times past to our fathers through the Prophets,

2 Has in these Last Days spoken to us through *His Son*, Whom He has appointed heir of all things, for Whom He also made the world;

3 Who, being the reflection of the Perfection of Yahweh, and the representation of Yahweh's Plan, by upholding all things concerning that which was spoken by Yahweh through the Laws and the Prophets, when He had purged sins, sat down on the right Hand of Yahweh on high,

Notice some of the Authority Yahshua received.

● Yahchanan 5:24-29 —

24 Truly, truly, I say to you: He who hears My Words; *My Teachings pertaining to the Laws and the Prophets*, believing Yahweh Who sent Me, has Everlasting Life, and will not come under condemnation; but has passed from death to life.

25 Truly, truly, I say to you: The hour is coming, and now is, when the dead will hear the voice of the Son of Yahweh; and those who hear will live.

26 For *just* as the Father has life in Himself, so He has given to the Son to have life in Himself;

27 And has given Him Authority to execute judgment also, because He is the Son of Man.

28 Do not be astonished at this—for the hour is coming in which all who are in the graves will hear His voice,

29 And will come forth. Those who have practiced Righteousness will be resurrected *in order* to live; and those who have practiced wickedness will be resurrected *in order* to be damned.

We will cover more on Yahshua's Authority later. But notice, Yahshua has the Power or Authority to give life, Eternal Life, because His will is the same as that of our Heavenly Father Yahweh. Yahshua was the Firstborn of many from mankind, who choose as Yahshua did to practice Righteousness. Therefore, they are the Sons and Daughters of Yahweh, belonging to Yahweh, not Satan.

● I Yahchanan 3:4, 7-8, 10 —

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

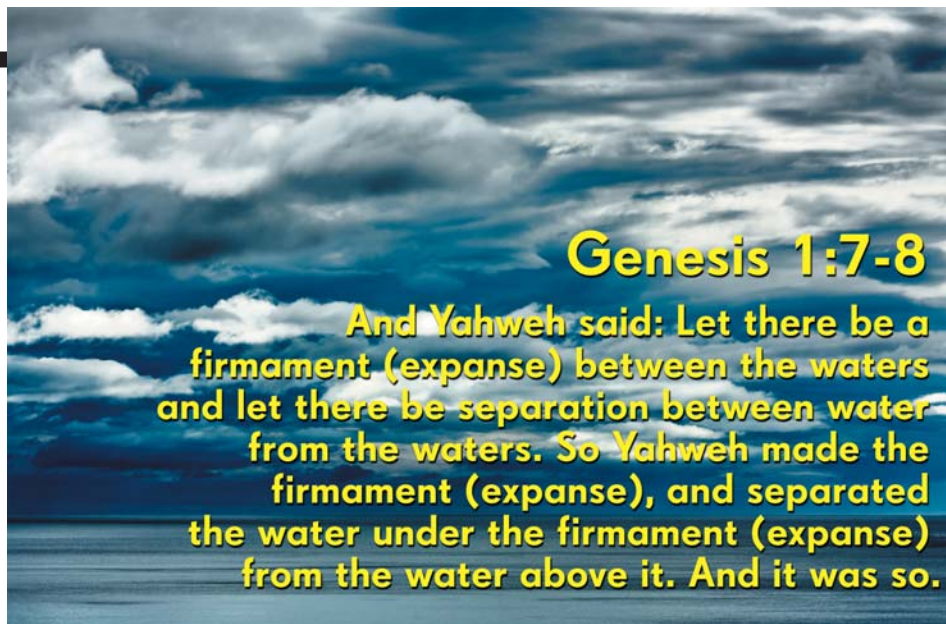

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

The children of Yahweh have learned and they love the Laws of Yahweh. They love their neighbors and do them no harm.

the Firmament and Global Warming

Read this Scripture first.

● **Luke 24:25—**

Then He said to them: O fools, and slow of heart to believe all that the Prophets have spoken!

The world is full of fools and by now they have probably thrown this letter against the wall and stomped it a few times because Truth is hated. Yahshua was hated and is still hated by all fools who read His Words and ignore them. He tells them to sin no more unless they want to burn in hell.

● **Mattithyah 7:21-23—**

21 Not everyone who says to Me; Teacher! Teacher! will enter into the Kingdom of Yahweh, but *only* he who does the Will of My Father Who is in heaven.

22 Many will say to Me in that day; Teacher! Teacher! Have we not prophesied in Your Name, and cast out demons in Your Name, and in Your Name performed many wonderful works?

23 But then I will declare to them; I never knew you. Get away from Me, you who practice iniquity.

● **Mattithyah 19:17—**

But He said to him: Why do you question Me about Righteousness? There is only One Who is the Standard of Perfection, and He is Yahweh; so if you would enter into Life, keep the Laws of Yahweh.

● **Yahchanan 5:24-29—**

24 Truly, truly, I say to you: He who hears My Words; *My Teachings pertaining to the Laws and the Prophets*, believing Yahweh Who sent Me, has Everlasting Life, and will not come under condemnation; but has passed from death to Life.

25 Truly, truly, I say to you: The hour is coming, and now is, when the dead will hear the voice of the Son of Yahweh; and those who hear will live.

26 For *just* as the Father has life in Himself, so He has given to the Son to have life in Himself;

27 And has given Him Authority to execute Judgment also, because He is the Son of Man.

28 Do not be astonished at this—for the hour is coming in which all who are in the graves will hear His voice,

29 And will come forth. Those who have practiced Righteousness will be resurrected *in order* to live; and those who have practiced wickedness will be resurrected *in order* to be damned.

● **Revelation 20:11-15—**

11 And I saw a Great White Throne, and Him Who sat on it, from Whose Face the powers of the earth and the powers of the heavens, the Gods (elohim), were driven away; for the verdict was reached that there is no place for them.

12 And I saw the dead, small and great, standing before Yahweh. And the books were opened; and another book was opened, which is *The Book of Life*. And the dead were judged out of those things which were written in the books, according to their works.

13 And the sea gave up the dead which were in it; and death and sheol; *the grave*, delivered up the dead which were in them. And they were judged, every man, according to his works.

14 And death and sheol were cast into the lake of fire. This is the second death.

15 And whoever was not found written in *The Book of Life* was cast into the lake of fire.

● **Revelation 22:12-14—**

12 And behold, I come quickly, and My Reward is with Me, to give every man according as his work will be.

13 I am the First and the Last, the Beginning and the End.

14 Blessed *are* those who keep His Laws, that they may have right to the Tree of Life, and may enter in through the gates into the City.

For those who actually desire the Truth and desire to know what mankind is doing to cause global warming, I will show you the brain's (computer), micro-kingdoms that must be allowed to do their jobs to control the heat, snow, rain, wind, earth and sea. In the *King James Version* it was translated **firmament** from the Hebrew word **rapia**. We translated it **expanse** in *The Book of Yahweh*.

It was a pure, transparent expanse made up of micro-kingdoms that envelopes and governs the entire globe for mankind. Govern? Yes. Consider this first. Mankind, or any other life form as we know it, could not remain alive at all without the things we receive from the sun. The sun is a very powerful unit and would consume the earth and all life if its powers that come to earth to sustain mankind's life were not managed.

The Sun

A fifth century BCE philosopher of Athens supposed that a great meteorite which fell at Aegospotami in the daytime about 467 BCE to have come from the sun. He imagined that the sun must be a mass of red-hot iron. That came from their schools of higher learning at Athens.

With the invention of the telescope, Galileo Galilei, and a few others, almost simultaneously, around 1610-

1611 discovered sunspots. With new telescopes and ancillary instrumentation of great sophistication, such as the spectroscope in 1870, dark bands were discovered in the spectrum of light radiated from sunspots from which it was concluded come gaseous eruptions in the neighborhood of sunspots now called flares.

In 1909 and 1913 a reverse flow, inward toward the center of the spot, for the gases at the highest levels of the atmosphere (firmament) above it, was found.

The determination of the sun's temperature has been one of the most difficult problems in solar astronomy. The English astronomer Herschel at the Cape of Good Hope in the year of 1837 observed that the vertical rays of the sun, if totally absorbed, would raise the temperature of a layer of water 1.8 centimeters deep by 1° C per minute.

From 1881 to 1942 the findings in astronomy were by far the best. Because the combination of events and studies showed that the firmament is governed; that is, the micro-kingdoms that make up the firmament are governed by Law. What these studies prove is just as the law of gravity is assigned to do one thing in the firmament so also are each of the micro-kingdoms assigned to do their job to regulate what gets to mankind. As the earth is made for mankind so also is the firmament made for mankind.

Herschel's studies of the extreme heat of the vertical rays of the sun, if totally absorbed, would rise to extreme temperatures of the earth's surface in minutes. The measurements come easy. What is difficult is the atmospheric absorption. In fact, it's impossible to understand, without understanding that a Creator, a Designer, set Laws that govern the micro-kingdoms to adjust and to allow only enough of the vertical rays of the sun to be absorbed and no more.

Below are further studies shown by past and present astronomers and their discoveries. Notice, they came to understand that the micro-kingdoms are set by Law to do jobs in the firmament, and they all must work in harmony.

World Science Monthly, February 1956

The problem was solved in 1881 and again in 1904, when it was shown that extrapolations must be made for solar radiation of different wavelengths, to determine what the intensity of each would be if there were no intervening air; and the values for all wavelengths must then be summed. A value of 1.96 calories per square centimeter per minute was obtained for the solar constant (the flux of total radiation received outside the Earth's atmosphere per unit area at mean Earth-Sun distance), that only recently has been improved by observation from balloons and high-flying aircraft. Early estimates of the Sun's temperature ranged from 1,461° C (2,660° F) to 10,000,000° C (18,000,000° F). Transforming the solar constant into the energy radiated by the Sun and thence into its effective temperature was impossible until the law that connects the temperature of a surface with the amount of heat radiated per second—the Stefan-Boltzmann law—was established about 1880.

The Moon, with its opaque disk of almost exactly the same apparent size as the Sun, and with a sharply defined edge, has been valuable to the solar astronomer at times of solar eclipse. In the Middle Ages, prominences on the Sun that became visible during eclipses were thought to be part of the Moon's atmosphere, mirages, clouds, or holes in the Moon. During an eclipse of July 1860, which crossed Spain, prominences were successfully photographed, and, by observing the motion of the Moon across them, it was demonstrated that these were solar. During an eclipse of August 1868, observers in India and in England, struck by the brilliance of the prominences, independently showed that they might be seen in broad daylight simply by opening the slit of a spectroscope and aiming it just outside the brilliant disk of the Sun's photosphere. The invention (1930) of the coronagraph made it possible for the first time to study the corona without an eclipse from high-altitude stations and on a nearly continuous basis. With a modified instrument, the K-coronameter (1950), which used photoelectric detection, it became possible to view the corona through hazy skies at sea level, and measurements at very clear sites were greatly extended, to large distances from the limb of the Sun.

The mysterious coronal spectrum—at first attributed to the mythical element coronium—was discovered in 1941 to be made up of the so-called forbidden lines of highly ionized atoms of iron, nickel, and other elements. The lines are described as forbidden because they are almost

impossible to produce in the laboratory.

Radio waves from the Sun were first detected in 1942 on British radar sets. It was suggested that the bursts of radio energy were associated with an active sunspot visible on the surface of the Sun and, in particular, with the large solar flare of February 28. In the same year, a weak background radio emission, or noise, was detected from the "quiet" Sun; i.e., the Sun observed when sunspots and related phenomena are at a minimum. The science of radio astronomy has since become a large and important field of solar research.

The Firmament Was Made For Man And Created Perfect

We now know one thing for sure; the firmament is a creation of a huge amount of pure, transparent micro-kingdoms. It's an expanse that envelopes the globe, governing (allowing or not allowing) what enters or comes to mankind from outside the firmament. There are many kingdoms, all micro-kingdoms, that make up the firmament that was made by Yahweh on the second day of creation. This is shown in:

● Genesis 1:6—

And Yahweh said: Let there be an expanse between the waters and let there be separation between waters from the waters.

The firmament includes not only the lower sky (atmosphere) that holds the waters and allows them to fall in drops to water the earth, it also includes the whole visible expanse that contains the stars, sun, and moon, which were placed there on the fourth day.

● Genesis 1:14-19—

14 And Yahweh said: Let there be lights in the expanse of the sky to separate the day from the night, and let them serve as signs to mark the Feasts, and for days and years.

15 And let them be lights in the expanse of the sky to give light on the earth. And it was so.

16 Yahweh made two great lights—the greater light to govern the day and the lesser light to govern the night. *He also made the stars.*

17 And Yahweh set them in the expanse of the sky to give light on the earth:

18 To govern the day and the night, and to separate light from darkness. And Yahweh saw that *it was right*.

19 So the evening and *then* the morning were the Fourth Day.

Nothing has ever disproven these statements.

The Rain Comes In Drops, Why?

Evidence Of 'Rain-Making' Bacteria Discovered In Atmosphere And Snow

ScienceDaily (Feb. 28, 2008) — Brent Christner, LSU professor of biological sciences, in partnership with colleagues in Montana and France, recently found evidence that rain-making bacteria are widely distributed in the atmosphere. These biological particles could factor heavily into the precipitation cycle, affecting climate, agricultural productivity and even global warming. Christner and his colleagues published their results on Feb 29 in the journal Science.

Christner's team examined precipitation from global locations and demonstrated that the most active ice nuclei — a substrate that enhances the formation of ice — are biological in origin. This is important because the formation of ice in clouds is required for snow and most rainfall. Dust and soot particles can serve as ice nuclei, but biological ice nuclei are capable of catalyzing freezing at much warmer temperatures. If present in clouds, biological ice nuclei may affect the processes that trigger precipitation.

Biological precipitation, or the "bio-precipitation" cycle, as David Sands, Montana State University professor of plant sciences and plant pathology calls it, basically is this: bacteria form little groups on the surface of plants. Wind then sweeps the bacteria into the atmosphere, and ice crystals form around them. Water clumps on to the crystals, making them bigger and bigger. The ice crystals turn into rain and fall to the ground. When precipitation occurs, then, the bacteria have the opportunity to make it back down to the ground. If even one bacterium lands on a plant, it can multiply and form groups, thus causing the cycle to repeat itself.

"We think if (the bacteria) couldn't cause ice to form, they couldn't get back down to the ground," Sands said. "As long as it rains, the bacteria grow."

The team's work is far-reaching. Sands and his colleagues have found the bacteria all over the world, including Montana, California, the eastern U.S., Australia, South Africa, Morocco, France and Russia.

These research findings could potentially supply knowledge that could help reduce drought from Montana to Africa, Sands said. The concept of rain-making bacteria isn't far-fetched. Cloud seeding with silver iodide or dry ice has been done for more than 60 years.

Many ski resorts use a commercially available freeze-dried preparation of ice-nucleating bacteria to make snow when the temperature is just a few degrees below freezing.

"My colleague David Sands from Montana State University proposed the concept of 'bioprecipitation' over 25 years ago and few scientists took it seriously, but evidence is beginning to accumulate that supports this idea," said Christner.

But, what makes this research more complicated is that most known ice-nucleating bacteria are plant pathogens. These pathogens, which are basically germs, can cause freezing injury in plants, resulting in devastating economic effects on agricultural crop yields.

"As is often the case with bacterial pathogens, other phases of their life cycle are frequently ignored because of the focused interest in their role in plant or animal health," said Christner. "Transport through the atmosphere is a very efficient dissemination strategy, so the ability of a pathogen to affect its precipitation from the atmosphere would be advantageous in finding new hosts."

It is possible that the atmosphere represents one facet of the infection cycle, whereby the bacteria infects a plant, multiplies, is aerosolized into the atmosphere and then delivered to a new plant through atmospheric precipitation.

"The role that biological particles play in atmospheric processes has been largely overlooked. However, we have found biological ice nuclei in precipitation samples from Antarctica to Louisiana — they're ubiquitous. Our results provide an impetus for atmospheric scientists to start thinking about the role these particles play in precipitation," said Christner. "This work is truly multi-disciplinary, bridging the disciplines of ecology, microbiology, plant pathology and climatology. It represents a completely new avenue of research and clearly demonstrates that we are just beginning to understand the intricate interplay between the planet's climate and biosphere."

The Role of Bacteria in Weather Events

NEW ORLEANS, LA — Researchers have discovered a high concentration of bacteria in the center of hailstones, suggesting that airborne microorganisms may be responsible for that and other weather events.

"Bacteria have been found within the embryo, the first part of a hailstone to develop. The embryo is a snapshot of what was involved with the event that initiated growth of the hailstone," says Alexander Michaud of Montana State University in Bozeman, who presented the research.

Michaud and his colleagues analyzed hailstones over 5 centimeters in diameter that were collected on the University campus after a storm in June 2010. The large hailstones were separated into 4 layers and the meltwater from each layer was analyzed. The number of culturable bacteria was found to be highest in the inner cores of the hailstone.

"In order for precipitation to occur, a nucleating particle must be present to allow for aggregation of water molecules," says Michaud. "There is growing evidence that these nuclei can be bacteria or other biological particles."

Michaud's research is part of a growing field of study focusing on bioprecipitation, a concept where bacteria may initiate rainfall and other forms of precipitation including snow and hail. The formation of ice in clouds, which is necessary for snow and most rainfall events, requires ice nuclei (IN), particles that the ice crystals can grow around.

"Ice nucleating strains of *P. syringae* possess a gene that encodes a protein in their outer membrane that binds water molecules in an ordered arrangement, providing a very efficient nucleating template that enhances ice crystal formation," says Christner.

Aerosol-cloud simulation models imply that high concentrations of biological IN may influence the average concentration and size of ice crystals in clouds, horizontal cloud coverage in the free troposphere, precipitation levels at the ground and even insulation of the earth from solar radiation.

"Evidence for the distribution of biological IN in the atmosphere coupled with the warm temperatures at which they function as IN has implied that biological IN may play a role in the Earth's hydrological cycle and radiative balance," says Christner.

American Society for Microbiology

In the Hebrew words describing the firmament, we find the English meanings compact mass, prop and support, something solid, capable of bearing up the waters that the micro-kingdoms accumulate in masses above and having the heavenly bodies affixed to it as to a crystalline pavement. Notice, they are fixed stationary but flexible.

● II Samuyl 22:8, KJV—

Then the earth shook and trembled; the foundations of heaven moved and shook, because he was wroth.

We see here the foundations of heaven (firmament). We also see in the Prophets' Writings the compact mass, capable of bearing up the waters that Yahweh set Laws for to guide in the accumulating of masses above, fixed

by Law.

Remember fixed by Law in creation on the second day. Notice again the underlined.

Transforming the solar constant into the energy radiated by the Sun and thence into its effective temperature was impossible until the law that connects the temperature of a surface with the amount of heat radiated per second—the Stefan-Boltzmann law—was established about 1880.

Remember fixed by law, again speaking of the foundations of heaven (firmament). Now compare the firmament in Yahshub's (Job's) lesson in astronomy.

● **Job 26:11, Amplified Bible—**

The pillars of the heavens tremble and are astonished at His rebuke.

Notice the pillars of the heavens (firmament). Now read:

● **Job 26:10, Amplified Bible—**

He has placed an enclosing limit [the horizon] upon the waters at the boundary between light and darkness.

Again, speaking of the firmament, coming from the Hebrew words showing the firmament having heavenly bodies affixed to it by boundaries (Laws). Please keep in mind that the workers, the micro-kingdoms, are active families of workers much like families or kingdoms of ants; yet, much smaller, that were bound to do certain jobs in the firmament for the benefit of mankind. Now read:

● **Psalms 78:23—**

Yet He commanded the skies above, and opened the doors of heaven.

He commanded the skies (firmament).

Yahshua Was Given This Authority by Yahweh!

The winds, being part of the firmament, now obey Yahweh and Yahshua, our Great King and Messiah.

● **Mattithyah 8:26-27—**

26 But He said to them; Why are you fearful, O you of little Faith? Then He arose and rebuked the winds and the sea; and there was a great calm.

27 And the men marveled, saying; What kind of Man is this, that the winds and the sea obey Him?

The micro-kingdoms are bound by the Authority of Yahweh. He made them in that manner. They are bound by Law to obey Yahweh, and now Yahshua.

What made Yahshua so Great, as is shown throughout the Prophets' and Apostles' writings, wasn't how physically strong He was or how well He could use a sword or how many people He could kill, what earned Him this Great Authority was the fact that He chose to follow Yahweh's Righteousness and teach the same.

● **Mattithyah 6:33—**

But seek you first the Kingdom of Yahweh and His Righteousness, and all these things will be added to you.

Yahshua loved Yahweh's Plan for mankind and the universe. Yahshua showed and proved that love by teaching Yahweh's Righteousness, not for treasures, political fame, or glory, but because He loved Yahweh's Righteousness and mankind. He loved mankind enough to teach them Yahweh's Righteousness and show them their sins in spite of the hatred they displayed for Him. Notice:

● **Yahchanan 15:22-23—**

22 If I had not come and spoken to them, they would not have *had their sins revealed*; but now they have no cloak, *covering for*, their sins.

23 He who hates Me, also hates My Father.

If you want to die with those who hate Yahweh and Yahshua, then learn how to kill. But if you want the Authority that Yahweh gave to Yahshua, then be a real man or woman and stand up for total Righteousness, as Yahshua taught and practiced.

True love is not hatred, fighting, retaliation. All of these the heathen religions all over the world are seeking. Notice what True Love is.

● **II Yahchanan 1:6—**

And this is love: That we walk after His Laws. Those are the Laws, that, as you have heard from the beginning, you should walk in them.

Let no man deceive you.

● **I Yahchanan 3:4, 7-8, 10—**

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

Get your mind on practicing Righteousness as Yahshua Messiah and you will be great in the soon coming Kingdom of Yahweh. Yahshua, Who has received Great Authority, was a Servant to all, even His enemies and kept trying to teach them up to the very day they murdered Him.

● **Yahchanan Mark 10:44-45—**

44 And whoever of you will be the first, will be slave for all.

45 For even the Son of Man did not come to be served, but to serve; and to give His life as a ransom for many.

This Authority also includes Eternal Life and Eternal Appointments with Yahweh from one New Moon to another and from one Sabbath to another.

● **Revelation 22:12-14—**

12 And behold, I come quickly, and My Reward *is* with Me, to give every man according as his work will be.

13 I am the First and the Last, the Beginning and the End.

14 Blessed *are* those who keep His Laws, that they may have right to the Tree of Life, and may enter in through the gates into the city.

● **Isayah 66:23—**

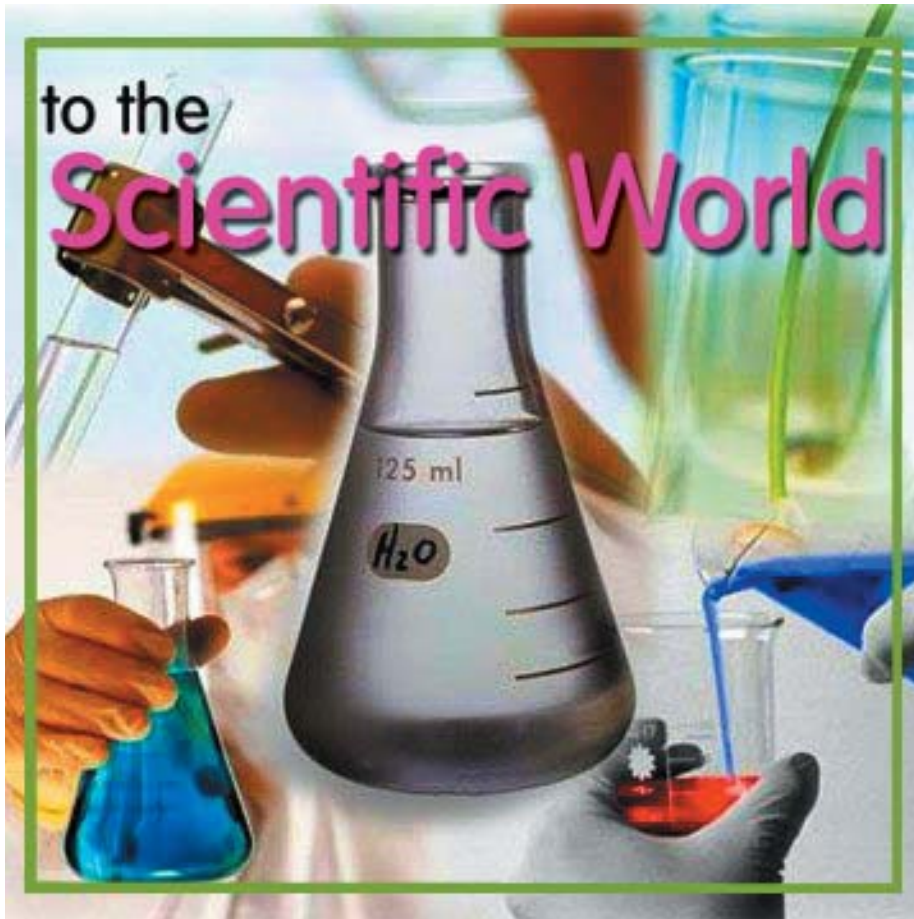

And it will come to pass *that* from one New Moon to another, and from one Sabbath to another, all flesh will come to worship before Me, says Yahweh.

Notice these Sabbaths are Eternal Appointments with Yahweh and His Family. Let Yahweh's Perfect Love, His Laws, Statutes and Judgments, shine upon you. True Love is the very Face of Yahweh. Let it shine through your Righteous Works of standing in service to Yahweh and you, too, will soon receive this Great Inheritance, for Yahshua was the Firstborn of many brothers.

● **Romans 8:29—**

For whom He did foreknow, He also did foreordain *to be* conformed to the image of His Son, that He might be the firstborn among many brothers.

You have the opportunity now to become one of those brothers or sisters.

Before Galileo and the telescope, and before Dr. Pfizer and the microscope, Yahweh showed limited knowledge to His Prophets. That was much greater knowledge than we see today and it all came straight from the Creator Yahweh.

The Great Prophet Isayah knew that the world was round; yet, centuries after the Prophet Isayah, the unbelieving popes of the catholic church murdered those who believed the world was round because the catholic church, with all of its schools of higher learning, taught that the world was flat. Notice:

● **Isayah 40:22—**

It is He Who sits above the circle of the earth, and its inhabitants are like grasshoppers. He stretches out the heavens (firmament) like a curtain, and spreads them out like a tent to dwell in.

It was also known that the earth is suspended in space. This was another controversy. Yet, only now can it be scientifically proven that this information in the Inspired Scriptures is true. Notice:

● **Yahshub (Job) 26:7—**

He stretches out the north sky over an empty space, and He hangs the earth upon nothing.

How was it possible that the Great Prophet of Yahweh, Yahshub, knew that there is nothing but blackness to the north and that the earth is suspended in space?

Without Dr. Pfizer's microscope, or those that came later, it was impossible to see the many forms of life in the blood. Yet, Yahweh's Priests knew this and warned the people not to consume it. If this had not been true, scientists could prove it today. Yet, they prove the Inspired Scriptures true. Yet, the churches and schools still act as though the Scriptures cannot be trusted. Notice:

● **Leviticus 17:10-16—**

10 Whatever man of the house of Israyl, or of the strangers who sojourn among you, who eats any blood, I will set My Face against that person who eats blood; and will cut him off from among his people.

11 For the life of the flesh is in the

blood, and I have given it to you to make an atonement for yourselves on the altar. It is the blood that makes atonement for one's life.

12 Therefore, I say to the children of Israyl; No one among you shall eat blood, nor shall any stranger who sojourns among you eat blood.

13 Whatever man of the children of Israyl, or of the strangers who sojourn among you, who hunts and catches any animal or bird that may be eaten, he shall pour out its blood, and cover it with dust;

14 For *it is* the life of all flesh. Its blood sustains its life. Therefore, I said to the children of Israyl: You shall not eat the blood of any flesh; for the life of all flesh is its blood. Whoever eats it shall be cut off.

15 Anyone, whether he is a native of your own country or a stranger, who eats anything found dead, or torn by wild animals, he shall both wash his clothes and bathe in water, and be unclean until sunset; then he shall be clean.

16 But if he does not wash *his clothes* nor bathe his body *in water*, then he shall bear his iniquity.

How could these men who wrote **verse 11**—for the life of the flesh is in the blood—and warned us not to eat the blood, have known this? They didn't have microscopes; yet, they knew this fact because Yahweh, the Creator of flesh and blood, showed them this Truth.

Leviticus chapters 11, 13, 14, and 18 show practices, that should be called medical practices, that actually prevent disease. How could the Prophets have known this without modern technology? How did they know that pork contained things such as trichna that could make a person sick and that sickness could be passed on to others.

Swine and other animals are actually identified and set apart as being unclean.

● **Leviticus 11:7—**

And the pig, although it has a split hoof completely divided, yet it does not chew the cud; it is unclean to you.

Today, we know and have proved the Inspired Scriptures True. If a modern day scientist had discovered this phenomenon, he would be hailed the man of the year; yet, the One Who inspired this Great Wisdom isn't glorified.

Why?

came from
ONE woman
and
ONE man

The schools of America and all over the world under the jurisdiction of the catholic church are forced to teach Darwin's theory of evolution even though it has been proven completely wrong with the discovery of DNA that traces mankind back to one woman, just as all of Yahweh's Inspired Prophets wrote. The discovery of this DNA should have

brought praise to Yahweh and the Inspired Scriptures. But?

With the microscope it has been proven that sodomy, fornication, adultery, homosexuality, and bestiality all cause or create different forms of viruses that mutate and pass from person to person, ruining their health. This discovery actually again proved the truth and

validity of the Inspired Scriptures. Notice again:

● **Leviticus 18:22—**

You shall not have sexual relations with a man, as with a woman. It is an abomination.

The Hebrew word translated **abomination** means *causes sickness and disease*. Compare:

● **Leviticus 18:30—**

Therefore you shall keep My Ordinance, and commit none of these abominable customs, which were committed before you, and that you do not defile yourselves with them. *I am* Yahweh your Father.

The Hebrew word translated **abominable** means *these diseases can be passed from person to person and even animals*. The Prophets show that these same viruses can defile the earth, air, and water, all of which refer to the firmament.

the FIRMAMENT

The firmament is made up of micro-kingdoms, each one doing its job in the atmosphere to keep the whole firmament healthy for mankind. We know that the micro-kingdoms are alive. They breed and multiply. These microorganisms continually adjust the firmament to keep it perfect for mankind.

The problem arises when viruses invade the micro-kingdoms and rape and mutate the microorganisms to the point that the rain-causing bacteria cannot cause the rain, and the micro-kingdoms that filter the sun's rays are no longer able to function properly. Then drought is caused. Then global warming takes place. The cause of STD viruses is man; therefore, global warming and drought are man-made.

I ask now, as the Great Prophet of Yahweh, Yechetzqyah, asked: Why will you die?

● **Yechetzqyah 18:30-32—**

30 Therefore, I will judge you, O house of Israyl, everyone according to his *own* ways, says Father Yahweh. Repent, and turn from all your transgressions, so iniquity will not be your ruin; *downfall*.

31 Cast away from you all your transgressions, in which you have transgressed, and prepare yourselves a new heart and a new spirit. For why should you die, O house of Israyl?

32 For I have no pleasure in the death

of him who dies, says Father Yahweh. Therefore, turn and live!

His Job

On earth we see small kingdoms at work, doing what they were assigned to do. Cows give milk. Buzzards clean the earth from dead animals. Bees make honey. Ants clean the earth from particles the buzzards left behind. There are many others that are micro, unable to be seen with the naked eye, that are active members in their kingdoms. They take care of the soil and they make the fruits and vegetables that we eat. There are others in your body, many micro-kingdoms. Some are in your stomach helping each other digest your food so that all of the micro-kingdoms that make up your body can get their share of the food to give the whole body energy in order for the whole body to function, wonderfully.

the Seas

The salt waters function in the same manner that your body functions. The seas are made up of kingdoms of sea-life. Read the following articles.

The Living Sea - Life Near the Surface

The sea is home to billions of plants and animals. Many live only near the sunlit surface. Here you'll find everything from

microscopic plankton to the giant blue whale. Oceanographers classify marine organisms by separating them into two primary groups: plants and animals.

Ocean Plants

There are two general types of plants found in the ocean, those having roots that are attached to the ocean bottom and those not having roots which simply drift about with the water.

...plants are found throughout most of the oceanic surface waters.

The most abundant plants in the ocean are known as phytoplankton. These are usually single-celled, minute floating plants that drift throughout the surface waters of the ocean. A bucket of sea water might hold a million microscopic diatoms which are relatives of seaweed encased in glassy boxes. When large quantities of diatoms and other phytoplankton are present they give a color to the sea. Spectacular phytoplankton blooms are found in cooler waters where nutrients are brought up from the sea floor during storms.

Mysteries Of Oceanic Bacteria Probed

ScienceDaily — Microbes living in the oceans play a critical role in regulating Earth's environment, but very little is known about their activities and how they work together to help control natural cycles of water, carbon and energy. A team of MIT researchers led by Professors Edward DeLong and Penny Chisholm is trying to change that.

Borrowing gene sequencing tools developed for sequencing the human

genome, the researchers have devised a new method to analyze gene expression in complex microbial populations. The work could help scientists better understand how oceans respond to climate change.

“This project can help us get a better handle on the specific details of how microbes affect the flux of energy and matter on Earth, and how microbes respond to environmental change,” said DeLong, a professor of biological engineering and civil and environmental engineering.

Each liter of ocean water they collect contains up to a billion bacterial cells. For several years, researchers have been sequencing the DNA found in those bacteria, creating large databases of prevalent marine microbial genes found in the environment.

However, those DNA sequences alone cannot reveal which genes the bacteria are actually using in their day-to-day activities, or when they are expressing them.

To figure out which genes are expressed, DeLong and colleagues sequenced the messenger RNA (mRNA) produced by the cells living in complex microbial communities. mRNA carries instructions to the protein-building machinery of the cell, so if there is a lot of mRNA corresponding to a particular gene, it means that gene is highly expressed.

Once the sequences of highly expressed mRNA are known, the researchers can compare them with DNA sequences in the database of bacterial genes and try to figure out which genes are key players and what their functions are.

The team found some surprising patterns of gene expression, DeLong said. For example, about half of the mRNA sequences found are not similar to any previously known bacterial genes.

Animals of the Sea

Marine animals are divided into three groups: zooplankton, nekton, and benthos. Zooplankton are drifting animals and are usually small, however, they can grow to fairly large size. For example, the jellyfish and the Portuguese man-of-war are examples of larger types of zooplankton which are unable to propel themselves effectively and are therefore at the mercy of either wind or current.

Nekton are the free swimmers and probably the largest portion of familiar animals found in the ocean belong to this class. Common fishes, the octopus, whales, eels and squid are all examples of nekton. The nekton category includes a number of very diverse creatures.

The third type of sea animal spends its entire life on or in the ocean bottom. This group of marine animals is called the benthos. It includes lobsters, starfish, various worms, snails, oysters

and many more. ...their lifestyle is so bound up with the ocean floor that they are unable to survive away from this environment.

Coral Reefs – An Important Part of Our Future

If you have ever visited a coral reef, you probably were struck by its beauty, diversity, and many colorful inhabitants. Even though coral reefs cover less than one percent of the ocean floor, they support an estimated 25 percent of all marine life, with more than 4,000 species of fish alone. In fact, coral reefs are some of the most diverse ecosystems in the world with thousands of species relying on reefs for survival. They also serve as important sources of food, income, protection, and new medicines for mankind.

Fisheries

The fish that grow and live on coral reefs are a significant food source for half a billion people worldwide – many of whom live far from the reefs that feed them. Millions of people in coastal villages of tropical developing countries depend on reefs for their livelihoods, with 25 percent of all fish caught in these regions coming from coral reefs.

Storm Protection

Healthy coral reefs safeguard tropical coastal communities. Residents rely on coral reef structures to buffer shorelines against waves, storms, and floods, which help prevent loss of life, property damage, and erosion.

Viral Disease — Particularly from Herpes — Gaining Interest as Possible Cause of Coral Decline

ScienceDaily — As corals continue to decline in abundance around the world, researchers are turning their attention to a possible cause that’s almost totally unexplored — viral disease.

It appears the corals that form such important parts of marine ecosystems harbor many different viruses — particularly herpes. And although they don’t get runny noses or stomach upset, corals also are home to the adenoviruses and other viral families that can cause human colds and gastrointestinal disease.

In a research review published in the *Journal of Experimental Marine Biology and Ecology*, scientists point out that coral declines are reaching crisis proportions...

“Coral abundance in the Caribbean Sea has gone down about 80 percent in the past 30-40 years, and about one-third of the corals around the world are threatened with extinction,” said Rebecca Vega-Thurber, an assistant professor of microbiology at Oregon

State University.

“We’ve identified 22 kinds of emerging disease that affect corals, but still don’t know the pathogens that cause most of them,” Vega-Thurber said. “Most researchers have looked only at bacteria. But we suspect viruses may play a role in this as well, and it’s important to learn more about what is causing this problem. Corals are the building blocks of the tropical seas.”

One of the surprises from recent research was the predominance in corals of herpes viruses — similar but not identical to the herpes virus that can infect humans. Herpes viruses appear to constitute a majority of the viruses found in corals, and one experiment showed that herpes-like viral sequences were produced in coral tissues after acute episodes of stress.

Obviously, if the coral reef is sick or dead, it can’t do its job. It is scientifically proven that the herpes virus kills or injures the coral reef. How many other micro-kingdoms does this virus injure besides the coral reef, and how many other kingdoms are in danger of harm from these injuries?

There is a micro-kingdom of bacteria that forms rain drops. Read the following article again.

Evidence Of ‘Rain-Making’ Bacteria Discovered In Atmosphere And Snow

ScienceDaily (Feb. 28, 2008) — Brent Christner, LSU professor of biological sciences, in partnership with colleagues in Montana and France, recently found evidence that rain-making bacteria are widely distributed in the atmosphere. These biological particles could factor heavily into the precipitation cycle, affecting climate, agricultural productivity and even global warming. Christner and his colleagues published their results on Feb 29 in the journal Science.

Christner’s team examined precipitation from global locations and demonstrated that the most active ice nuclei — a substrate that enhances the formation of ice — are biological in origin. This is important because the formation of ice in clouds is required for snow and most rainfall. Dust and soot particles can serve as ice nuclei, but biological ice nuclei are capable of catalyzing freezing at much warmer temperatures. If present in clouds, biological ice nuclei may affect the processes that trigger precipitation.

Biological precipitation, or the “bio-precipitation” cycle, as David Sands, Montana State University professor of

plant sciences and plant pathology calls it, basically is this: bacteria form little groups on the surface of plants. Wind then sweeps the bacteria into the atmosphere, and ice crystals form around them. Water clumps on to the crystals, making them bigger and bigger. The ice crystals turn into rain and fall to the ground. When precipitation occurs, then, the bacteria have the opportunity to make it back down to the ground. If even one bacterium lands on a plant, it can multiply and form groups, thus causing the cycle to repeat itself.

“We think if (the bacteria) couldn’t cause ice to form, they couldn’t get back down to the ground,” Sands said. “As long as it rains, the bacteria grow.”

The team’s work is far-reaching. Sands and his colleagues have found the bacteria all over the world, including Montana, California, the eastern U.S., Australia, South Africa, Morocco, France and Russia.

These research findings could potentially supply knowledge that could help reduce drought from Montana to Africa, Sands said. The concept of rain-making bacteria isn’t far-fetched. Cloud seeding with silver iodide or dry ice has been done for more than 60 years. Many ski resorts use a commercially available freeze-dried preparation of ice-nucleating bacteria to make snow when

the temperature is just a few degrees below freezing.

“My colleague David Sands from Montana State University proposed the concept of ‘bioprecipitation’ over 25 years ago and few scientists took it seriously, but evidence is beginning to accumulate that supports this idea,” said Christner.

But, what makes this research more complicated is that most known ice-nucleating bacteria are plant pathogens. These pathogens, which are basically germs, can cause freezing injury in plants, resulting in devastating economic effects on agricultural crop yields.

“As is often the case with bacterial pathogens, other phases of their life cycle are frequently ignored because of the focused interest in their role in plant or animal health.” said Christner.

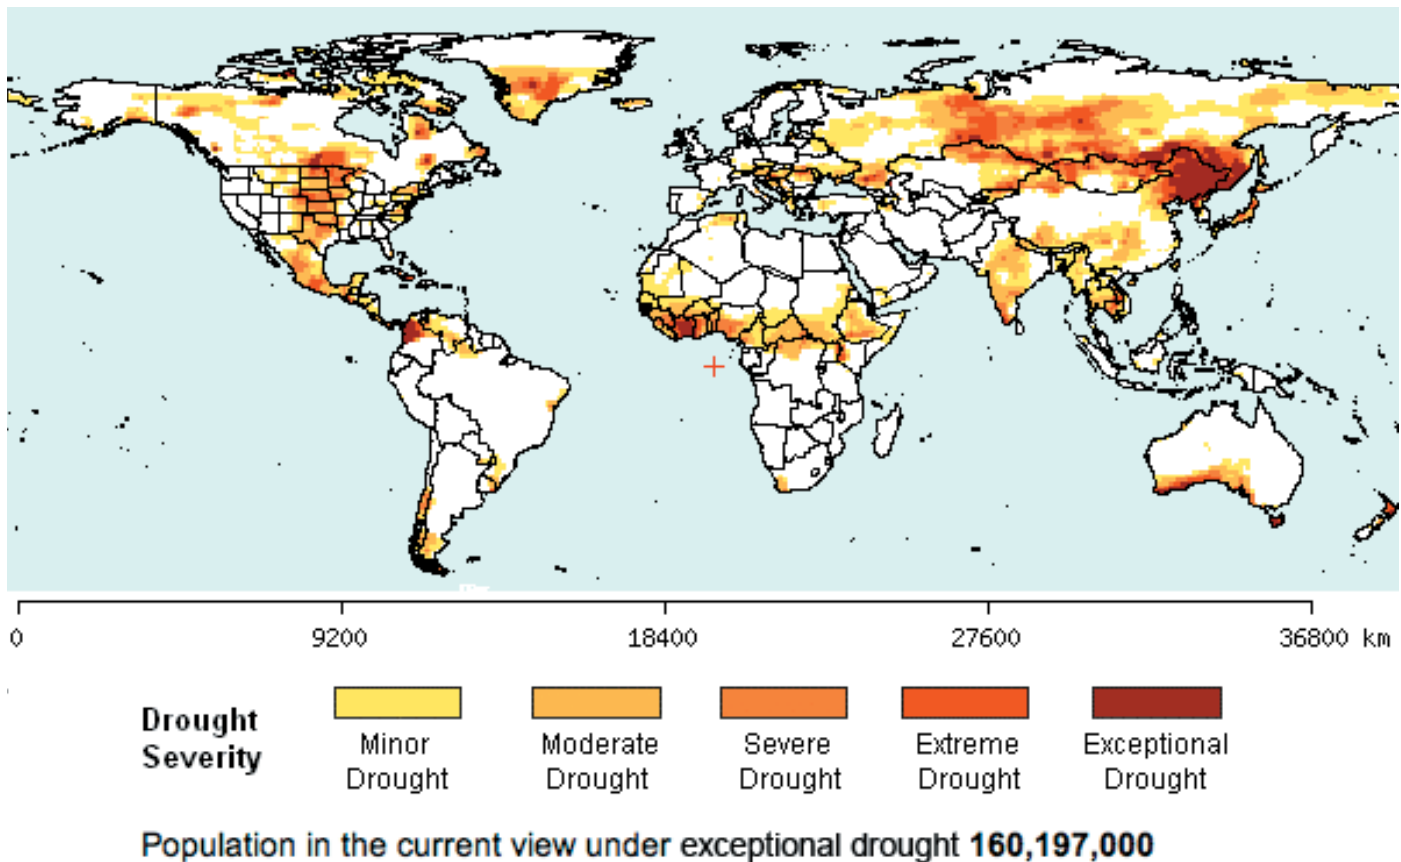

“Transport through the atmosphere is a very efficient dissemination strategy, so the ability of a pathogen to affect its precipitation from the atmosphere would be advantageous in finding new hosts.”

It is possible that the atmosphere represents one facet of the infection cycle, whereby the bacteria infects a plant, multiplies, is aerosolized into the atmosphere and then delivered to a new plant through atmospheric precipitation.

“The role that biological particles play in atmospheric processes has been largely overlooked. However, we have found biological ice nuclei in precipitation samples from Antarctica to Louisiana — they’re ubiquitous. Our results provide an impetus for atmospheric scientists to start thinking about the role these particles play in precipitation,” said Christner. “This work is truly multi-disciplinary, bridging the disciplines of ecology, microbiology, plant pathology and climatology. It represents a completely new avenue of research and clearly demonstrates that we are just beginning to understand the intricate interplay between the planet’s climate and biosphere.”

If herpes or AIDS or any number of other micro-viruses that attack other micro-kingdoms begin to attack and mutate within the rain-making bacteria that causes raindrops to form, that would interfere with the rain on earth, just as it has affected the coral reef. We are now seeing this interference of the rain on earth in 63% of the continental United States. But this isn’t just occurring in the United States; it’s occurring around the world.

WHEN did this START?

in the **Swinging 60s**

The Prophet Daniyl was inspired to write that in the Last Days knowledge would be increased and would bring about the greatest destruction in man's history, due to the greatest amount of sin.

● **Daniyl 12:4**—

But you, O Daniyl, shut up the words, and seal the book to the time of The End; many will run to and fro, and knowledge will be increased.

Notice the words "time of The End". This Prophecy was written around 534 BCE. Notice that Yahweh says, "knowledge will be increased". He did not say that knowledge "will increase" but that it "will be increased". This means it was

bound and could not increase on its own. It was bound by Yahweh and in no way would it increase until the set time when Yahweh would extend the boundary.

Yahweh set the time for this increase which also shows that Yahweh is in full control of the amount of knowledge mankind is allowed to handle. So to prove a point and to allow mankind to prove what his rebellious attitude will bring, Yahweh prophesied a set time when He, Yahweh, would increase knowledge to mankind in the time of The End. Notice now the limitation set on man's knowledge.

● **Yahshub 14:5**—

You have determined his days, the number of his moons is with You. You have appointed his limits, which he may not exceed.

Mankind Was Created For A Purpose

Evolution has already been proven to be a lie to discredit Yahweh's Plan; while the Inspired Scriptures have proven themselves to be True, 100%. Mankind was created for the purpose of being made in the Image of Yahweh, after His Likeness, Perfect in Righteousness. Notice the Plan.

● **Genesis 1:26**—

Then Yahweh said: I will make man in My Image, according to My Likeness; they will have rulership...

Yahweh, it is shown, gave mankind the amount of knowledge needed to prove his desire for Righteousness. If this were not true, then how could the Prophecies show the exact time when knowledge would be increased?

The Time Of The End

The time of The End was also prophesied by Yahweh's Righteous Prophets and the Savior. These Prophecies include the making of the nuclear bombs which could not have been accomplished without the computer (knowledge increase).

With the increase in knowledge also came the prophesied increase in sin and iniquity. Iniquity is the doing away with Yahweh's Laws.

Notice The Prophecy

Daniyl's Prophecy shows the same time period as the Savior's Prophecy. Each of them shows the greatest time of trouble to ever be, so they are speaking of the same time of trouble. This is the same time period that could only come about with an allowable increase in knowledge.

The computer is the increase of knowledge prophesied to be in this time period. With the computer came the ability to calculate and store vast amounts of information.

THINK OF THIS

With this computer knowledge came the invention of electric power, automobiles, airplanes, rockets and bombs. Notice, in this time period comes the great burning with computer guided nuclear bombs that will darken the sun. Also comes the great falling away from Righteousness.

● **Daniyl 12:1-4**—

1 And at that time, one who is like Yahweh will stand up *at* Abel; Yisrayl, the Great Priest, who stands *at* Abel to teach Yahweh's Just, Perfect Laws to the children of Your People; and there will be a time of trouble, such as never was since there was a nation to that same time. And at that time, Your People will be delivered, everyone who will be found written in The Book of *Life*.

2 And many of those who sleep in the dust of the earth will awake; some to Everlasting Life, and some to shame *and* everlasting contempt.

3 And those who are wise will shine as the brightness of the heavens; and those who turn many to Righteousness, as the stars forever and ever

4 But you, O Daniyl, shut up the words, and seal the book to the time of The End; many will run to and fro, and knowledge will be increased.

The time of The End.

● **Isayah 24:1-6**—

1 Before Yahweh's *very* Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

The time of The End.

● **Mattithyah 24:3, 7, 12, 21-22, 29, 33-34—**

3 Now as He sat on the Mount of Olives, the Disciples came to Him privately, saying; Tell us, when will these things be? What *will* be the sign of Your coming and The End of the Ages?

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; *disease epidemics*, and earthquakes; *natural disasters*, in place after place:

12 And because iniquity will abound, the love of the many will grow cold.

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

29 Immediately, *but* after the *Great Tribulation* of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

33 In the same way, when you see all these things, know that *His coming and The End of the Ages* is near, at the very door.

34 Truly I say to you: That generation will not pass *away*, until all these things are fulfilled.

These Prophecies all show this present generation and the greatest time of trouble ever, as well as a complete turning to iniquity and sin, great sickness, disease, and famine. It's all here now, at this time, because of the increase in knowledge. This proves what Yahweh's Prophets foretold about the morals of mankind in these Last Days.

with the **Increase** in **Knowledge** also came

Movie Making

Movie making is used for advertising products and selling, not just products but also lifestyles. To get attention, sex is used. This brought the falling away from Yahweh's Laws of Righteousness. The Ten Commandments forbid fornication and adultery; yet, the movies promote them. The increase in illegal sex abounded and the daily reading of the bible diminished. This, too, was prophesied.

● **II Thessalonians 2:1-3—**

1 Now we plead with you, brothers, concerning the coming of our King, Yahshua Messiah, and our gathering together to Him,

2 That you not be soon shaken in mind, nor be troubled, neither by spirit, nor by word, nor by letter as *if* from us, as that the day of Yahweh is at hand.

3 Let no man deceive you by any means; for *that day will not come*, unless there comes a falling away first, and that servant of sin is revealed: the son of perdition.

● **Mattithyah 24:12—**

And because iniquity will abound, the love of the many will grow cold.

● **II Timayah 3:1-5—**

1 Know this also: that in the Last Days perilous times will come.

2 For men will be lovers of themselves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,

3 Without natural affection, trucebreakers, *unforgiving*, false accusers, without self-control, brutal,

despisers of those who are righteous,

4 Traitors; *betrayers*, headstrong, arrogant, lovers of pleasure more than lovers of Yahweh,

5 Having a form of holiness, but denying the Authority of it—from such turn away!

Due to the falling away from reading and studying the Righteousness of Yahweh and the increase in sexual sins—fornication, adultery, sodomy, homosexuality, and bestiality—came the epidemics of STD. From that came defiled water, herpes killing the coral reef, and the beginning of global warming, famine, and drought, which is caused by the defilement of the bacteria in the firmament that is responsible for forming raindrops that fall to the earth. Only rain can bring an end to the drought.

The reason I mention this kingdom of bacteria that forms the raindrops more than the other micro-kingdoms, which must be without number, is because the deficient rainfall is something we can see over most of the world at this time.

By creating and sending STDs into the firmament, that rape, mutate and murder, the micro-kingdoms that cause rain, mankind has caused drought. This drought is now global and continues to spread.

3 Droughts

The drought we are now suffering is one of three since 1988. The one before 1988 was a seven year drought that was mostly confined to Texas and ended in 1957. From 1957 to 1988 is thirty-one years. From 1988 to 2003, the date of the next drought, is only fifteen years. Notice, the time between droughts is much shorter.

this Sickness

of the FIRMAMENT

is getting more frequent

YAHWEH made the firmament to be able to heal itself under normal circumstances. Remember, the firmament is made up of micro-kingdoms. If a kingdom that forms raindrops and spreads them out to fall on the earth becomes sick, it would not be able to do its job. Therefore, the rest of the firmament would also suffer, as would the earth it supplies.

If the herpes virus can kill the coral reef in saltwater, what can the herpes virus, AIDS virus, the new drug-resistant AIDS virus, and all the other viruses, created and mutated by mankind, that are present, do to the micro-kingdoms that make up the firmament?

The Inspired Prophets of Yahweh show what Yahweh says is the cause of the defilement, which is the cause for the earth's mourning and fading away. It is also the cause of all nations preparing for nuclear wars at this time. Notice again:

● **Isayah 24:1-6, 18-19—**

1 Before Yahweh's very Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

18 And it will come to pass, that he who flees from the noise of the fear will fall into the pit; and he who comes up from the midst of the pit will be caught in the snare; for the windows from on high are open, and the foundations of the earth are shaken.

19 The earth is utterly broken down, the earth is dissolved clean, the earth is shaken exceedingly.

Verses 1 and 18-19 show the extent of the destruction for this time period. The only power that could cause this destruction is the nuclear bomb that was invented with the increase in knowledge of the computer in this generation—all at the very time that Prophecy shows. Think of what a phenomenon this is.

Daniyl 12:4 shows that in this time of The End, knowledge would be increased. Up until this present time period, this last one hundred years, mankind lived without electricity, running water, telephones, automobiles, television, and computers. In this time period only, knowledge was increased and all of these computer-operated inventions were put into the homes, schools, offices, etc., changing man's lifestyle; and used in war.

How could the Prophets have known that man's knowledge would only be increased in this time period? Could you prophesy future events? No!

No man can. The Being Who inspired these Prophecies to be written is also shown to be the One Who created the earth and the firmament, and to tell us what would defile that firmament, the earth and our bodies. He also told when His Plan for man would be finished.

The description shown in **Isayah 24:18-20** cannot be anything else except nuclear. The description in **Mattithyah 24:29** can only be accomplished by nuclear. The great burning shown for the Last Days in **Malakyah 4:1** is definitely nuclear. The description given in **Revelation 9:17** even gives the three colors that make up the mushroom cloud of the nuclear explosion. All of these Prophecies, and many others, the Prophets have foretold concerning this particular time period—and it's here! How could we not believe Yahweh when all of these Prophecies have come to pass in the exact manner and time period as prophesied?

I urge you to read the article: *The Real Cause of Global Warming*, in the 6/2007 issue of *The Prophetic Word* magazine or in our book, *Birth of the Nuclear Baby*. I urge the scientists to test the bacteria and viruses in the firmament and see what is raping and mutating these micro-kingdoms that are our workers. This is crippling the kingdoms, making it very difficult now for them to do their jobs in keeping the globe cool and supplied with rain for mankind.

All the defilement comes from breaking Yahweh's Laws that govern the heavens and the earth for man.

We can help. Call, write, or email us for help.

In **Revelation 18**, Yahweh identifies the Vatican with its catholic (universal) religion that sits governing the kings (leaders) of the earth. Yahweh shows that her sins have reached into the heavens.

The word translated **heavens** actually means *firmament*. This is the same word that is used in:

● **Genesis 1:6-8**—

6 And Yahweh said: Let there be a firmament (expanse) between the waters and let there be separation between waters from the waters.

7 So Yahweh made the firmament (expanse), and separated the water under the firmament (expanse) from the water above it. And it was so.

8 And Yahweh called the firmament (expanse) sky. And the evening and *then* the morning were the Second Day.

There are several words in **Revelation 18:1-5** that were mistranslated, others were completely left out of most translations. Notice the following information from authorities of the

Hebrew and Chaldee languages in Hebrew and Chaldee lexicons.

● **Revelation 18:1-5**—

1 And after these things I saw another Malak come down from heaven, having Great Authority; and the earth was enlightened with His Glory.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become the habitation of demons, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth have grown rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues,

5 For her sins have reached into heaven, and Yahweh has remembered her iniquities!

The following words are mistranslated in **Revelation 18:1**, as shown by the

following Hebrew and Chaldee authorities.

The *Gesenius' Hebrew and Chaldee Lexicon*, pages 569-570, shows that the word **malak** means *One Sent, Messenger of Yahweh*. The *Hebrew-Aramaic-English Dictionary* by Marcus Jastrow, Vol. 1, page 786, shows this word means *teacher, Abel*. A *Hebrew and Chaldee Lexicon to the Old Testament* by Julius Furst, page 813, shows it means *Priest*.

The word **heaven**, translated from the Hebrew root word **shem**, according to *A Hebrew and Chaldee Lexicon to the Old Testament*, page 1402, means *Yahweh*.

The word **earth**, from the Hebrew word **aratz**, means *this world*, according to *A Hebrew and Chaldee Lexicon to the Old Testament*, page 153.

The word **enlightened**, from the Hebrew word **awar**, means *truth and revelation*. This is shown in *A Hebrew*

and Chaldee Lexicon to the Old Testament, page 44.

The word **glory** is translated from **kabad**, which means *he who honors the Law, Yisrayl*. This is found in the *Hebrew-Aramaic-English Dictionary* on pages 606-607.

In **Revelation 18:5**, the word **heaven** is translated from **shemim**, and means *heavens*; that is, *the firmament*. This is found in *Gesenius' Hebrew and Chaldee Lexicon* on page 1083.

The corrected translation is as follows:

● **Revelation 18:1-5—**

1 And after these things I saw at Abel a Priest; a Teacher; the One Sent from Yahweh. He had Great Authority, for the whole world was revealed the Truth by Yisrayl, who revered Yahweh and His Laws.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become the habitation of demons, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth have grown rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues,

5 For her sins have reached into the firmament, and Yahweh has remembered her iniquities!

It was from the Hebrew and Chaldee languages that Part Two of *The Book of Yahweh* was originally translated. Of course, those who are deceived call this the "New Testament". It is not a new testament. This is clearly shown in:

● **Hebrews 10:16—**

This is the Covenant that I will renew with them after those days, says Yahweh: I will put My Laws into their hearts, and in their minds I will write them.

This is the same Perfect Covenant established from the beginning. Only deceiving religious leaders, who love darkness rather than Light because their deeds are evil, would try to change Yahweh's Righteousness.

● **Yahchanan 3:19—**

Now this is the condemnation: Light has

come into the world, but men loved darkness rather than Light, because their deeds were evil.

● **II Yahchanan 1:6—**

And this is love: That we walk after His Laws. Those are the Laws, that, as you have heard from the beginning, you should walk in them.

● **I Yahchanan 3:10-11—**

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does not practice Righteousness is not of Yahweh, and he does not love his neighbor!

11 For this is the Message that you heard from the beginning, that we should love one another.

Did you catch that? **Verse 10** says if the churches do not practice **Righteousness**, they do not belong to Yahweh. Righteousness is the practice of Yahweh's Laws.

● **Deuteronomy 6:25—**

And it will be our Righteousness if we observe to do all of these Laws before Yahweh our Father, as He has commanded us.

● **I Yahchanan 3:4, 7—**

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

In **I Yahchanan 3:10** we also see that if the churches do not practice Righteousness, they do not love their neighbor. Now read:

● **I Yahchanan 3:14—**

...He who does not love *his* neighbor (does not practice Yahweh's Laws) abides in death.

No religion, except The House of Yahweh, practices the Laws of Yahweh. They all abide in death as is shown in the following Scriptures.

● **I Yahchanan 3:4, 7-8—**

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

● **Hebrews 10:16—**

This is the Covenant that I will renew with them after those days, says Yahweh: I will put My Laws into their hearts, and in their minds I will write them;

● **Revelation 20:11-15—**

11 And I saw a Great White Throne, and Him Who sat on it, from Whose Face the powers of the earth and the powers of the heavens, the Gods (elohim), were driven away; for the verdict was reached that there is no place for them.

12 And I saw the dead, small and great, standing before Yahweh. And the books were opened; and another book was opened, which is *The Book of Life*. And the dead were judged out of those things which were written in the books, according to their works.

13 And the sea gave up the dead which were in it; and death and sheol; *the grave*, delivered up the dead which were in them. And they were judged, every man, according to his works.

14 And death and sheol were cast into the lake of fire. This is the second death.

15 And whoever was not found written in *The Book of Life* was cast into the lake of fire.

Now back to the one that all of the deceivers follow; the one that fights against Yahweh and His Laws of Righteousness. All christian churches get their authority for doing away with Yahweh's Laws of Righteousness from the roman catholic church that sits on the seven hills of Rome. They abide in death.

● **Revelation 18:1-5—**

1 And after these things I saw at Abel a Priest; a Teacher; the One Sent from Yahweh. He had Great Authority, for the whole world was revealed the Truth by Yisrayl, who revered Yahweh and His Laws.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become the habitation of demons, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth have grown rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues,

5 For her sins have reached into the firmament, and Yahweh has remembered her iniquities!

Her sins? Remember **I Yahchanan 3:4**. Sin is the breaking of or not practicing Yahweh's Laws.

Revelation 18:1 shows a Message is sent by Yahweh from heaven to earth

to enlighten the inhabitants of earth about the troublesome mess they have gotten themselves into by following the catholic church that sits on the seven hills of Rome. And the earth; that is, the people, were enlightened by that Message. The ones that bring this Message are shown in many Prophecies. They are called the Two Witnesses.

● **Revelation 11:1-4—**

1 And there was given me a reed like a measuring rod. And the Malak stood, saying: Rise, and measure the temple of Yahweh, and the altar, and its confines;

2 But the court which is outside the temple leave out, and measure it not; for it is given to the Gentiles. And the holy city they will tread under foot three and one-half years.

3 And I will give to My Two Witnesses to perform their Prophetic offices, and they will foretell events about the one thousand two hundred and sixty days, those cast about with darkness.

4 These are, as it were, the two Olive Trees, and, as it were, the Two Lamps of the Seven Lamp Lampstand, ministering for the Father in the earth.

I would encourage you to call, write, or email us for the information on the Two Witnesses. Prophecy shows that one Witness would be given to death, while the other remains alive and takes the Message of the Kingdom to all nations, just before The End.

Yahshua Messiah shows these same days cast about with darkness, which He called the Great Tribulation, and the plagues (**Revelation 18:4**) in **Mattithyah 24**.

● **Mattithyah 24:14, 21-22, 7—**

14 And this Message of the Kingdom will be preached to all the world by the One who bears witness to all nations; and then The End will come.

21 For then will be Great Tribulation, such as has not come to pass since the beginning of the world to this time—no, nor ever will be.

22 And unless those days were shortened, there would no flesh be saved; but for the Elect's sake, those days will be shortened.

7 For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; *disease epidemics*, and earthquakes; *natural disasters*, in place after place:

The Great Tribulation is caused by religions that practice sin. They practice breaking the Laws of Yahweh.

You will see this as you continue to read.

Notice, the plagues (**Revelation 18:4**) caused by her sins and iniquities (**Revelation 18:5**) include confusion. Confusion causes hatred, widespread sickness and disease, and finally, in this time period, nuclear wars that will darken the sun.

● **Mattithyah 24:29—**

Immediately, *but* after the Great Tribulation of those days will the sun be darkened, and the moon will not give her light, and the stars will fall from heaven, and the powers of the heavens will be shaken.

In this same time period, the warning from Yahweh will go out to all the world.

● **Revelation 18:1—**

And after these things I saw at Abel a Priest; a Teacher; the One Sent from Yahweh. He had Great Authority, for the whole world was revealed the Truth by Yisrayl, who revered Yahweh and His Laws.

This is the same time period as:

● **Mattithyah 24:3-4—**

3 Now as He sat on the Mount of Olives, the Disciples came to Him privately, saying; Tell us, when will these things be? What will be the signs of Your coming and The End of the Ages?

4 Yahshua answered, and said to them: Be on guard, so that no man deceives you.

Notice **verse 4**. Be on guard, so that no man deceives you. Compare:

● **I Yahchanan 3:7-8—**

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

THE CAUSE!

The Prophets gave us the cause for this Last Days' destruction that will be brought on all nations by her sins.

● **Revelation 18:4-5—**

4 And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues,

5 For her sins have reached into the firmament, and Yahweh has remembered her iniquities!

Here we see clearly that it's the sins

brought forth and taught by the religions that are causing the plagues that are growing throughout the earth and are now reaching into the heavens (firmament). Now notice:

● **Isayah 24:1-6—**

1 Before Yahweh's *very* Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

You are a fool if you fail to take this Prophecy seriously.

● **Luke 24:25—**

Then He said to them: O fools, and slow of heart to believe all that the Prophets have spoken!

No man can foretell the future; but there is a Being Who can and has proven this over and over. Write, call or email us for absolute proof of Prophecy being fulfilled that was written only by Yahweh's Prophets and inspired only by Yahweh.

Unless a person is deaf, dumb, blind, and stupid, they can see the global warming, the global droughts, the global earthquakes, the global hatred, the global violence, and the global build up of nuclear bombs, all prophesied for this time period. They can also see only one man and the Prophesied House of Yahweh that Yahweh foretold would take this warning to all the nations just before The End. All of these Prophecies are being fulfilled right before your eyes.

The cause of all these global things are shown in **Isayah 24:5—**

transgression of the Laws, which is SIN!

● **I Yahchanan 3:4—**

Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

Her sins have reached into the heavens.

● **Revelation 18:5—**

For her sins have reached into the firmament, and Yahweh has remembered her iniquities!

The word **iniquities** in **verse 5** means *rebellion against Yahweh's Laws*; against the Prophets' Teachings that Yahweh's Laws should be practiced. It means doing away with Yahweh's Laws and following traditions instead of practicing Yahweh's Righteousness.

Revelation 17 shows the religion that the Prophets' told us would have the support of a huge army (**Daniyl 11:31**) is located on seven hills. Notice first:

● **Daniyl 11:31—**

And the army will stand on his part, and they will pollute the sanctuary of strength, and will take away the daily sacrifice, and they will place the lord of heaven.

● **Revelation 17:7, 9, 18—**

7 And the malak said to me: Why are you astonished? I will tell you the mystery of the woman, and of the beast that carries her, which has the seven heads and ten horns.

9 And here is the mind which has wisdom: The seven heads are seven mountains on which the woman sits.

18 And the woman whom you saw, is that great city which reigns over the kings of the earth.

Notice the names of the seven hills in *Compton's Pictured Encyclopedia*, 1948, Volume 12, page 144.

...the "City of Seven Hills." ...the Capitoline, Palatine, Aventine, Quirinal, Viminal, Esquiline, and Caelian hills. ...the seat of the papacy, the head of the great Roman Catholic Church.

Please, for your sake and your family's, don't just read over this. This was first prophesied before it came to pass. These are absolute facts that Yahweh's Prophesied Work is showing you. You need to contact Yahweh's House now before the bombs fall.

Again notice, this religion is based in a city that sits on seven hills that

reigns over the kings of the earth, and her sins have now reached into the firmament and causing plagues.

The Prophet Daniyl shows that this religion, with its army, is the very one that made war against Yahweh's Saints and changed Yahweh's Laws, Sabbaths, and Feast Days, which all the world has wondered (followed) after (**Revelation 13:3**). She is known as the fourth beast in **Daniyl 7**, that is made up of four religions and a strong army.

All bible scholars know this fourth beast was and is the roman empire, called the "holy" roman empire by historians. The little horn (religion) is the spokesman for the whole world. Now notice:

● **Daniyl 7:21, 25—**

21 I beheld, and the same horn made war with the Saints, and prevailed against them;

25 And he will speak great words against Yahweh, and will wear out; mentally attack to cause to fall away, the Saints of Yahweh, and think to change times; Yahweh's Feast Days, and Laws; and they will be given into his hand until a time, and times, and the dividing of time.

For complete details of this fourth beast and its religions, call, write, or email us.

The catholic church admits to changing Yahweh's Laws and removing the Names of Yahweh and Yahshua from the Inspired Writings of the Prophets and Apostles, which she replaced with the titles of dead rabbis, whom she refers to as "saints". All of her teachings are contrary to those of the Inspired Prophets. Her total practice of religion is sin and traditions that teach the worship of the dead.

WHAT SINS COULD REACH INTO THE FIRMAMENT?

The sins that have reached high into the firmament, the land, waters and seas are the uncontrolled lusts of fornication, adultery, bestiality, homosexuality, and sodomy. These sexual sins, as described by the Inspired

Prophets of Yahweh and later proven by science, have created and mutated harmful bacteria and deadly viruses called STDs. These deadly viruses are multiplying with each sin of sodomy, act of fornication, adultery, homosexuality, and bestiality. When these viruses enter the micro-cells in the bodies of men, women, children, and animals, they multiply. This same process occurs when these viruses enter the micro-cells of friendly bacteria, plants, soil, even the salt waters of the seas, oceans, and lakes.

Viral Disease-Particularly from Herpes-Gaining Interest as Possible Cause of Coral Decline

Science Daily (Mar. 27, 2012) — As corals continue to decline in abundance around the world, researchers are turning their attention to a possible cause that's almost totally unexplored — viral disease.

It appears the corals that form such important parts of marine ecosystems harbor many different viruses — particularly herpes. And although they don't get runny noses or stomach upset, corals also are home to the adenoviruses and other viral families that can cause human colds and gastrointestinal disease.

"We've identified 22 kinds of emerging disease that affect corals, but still don't know the pathogens that cause most of them," Vega-Thurber said. "Most researchers have looked only at bacteria. But we suspect viruses may play a role in this as well, and it's important to learn more about what is causing this problem. Corals are the building blocks of the tropical seas."

Deadly viruses are the result of her sins of fornication, adultery, homosexuality, bestiality and sodomy.

THE LIFE IS IN THE BLOOD

Some of the latest research of scientists today shows what the Prophets knew thousands of years ago, that life is in the blood. All kinds of life can be found in the blood of man and animal. Read the following article.

All Human Blood Is Infected With Bacteria

Bacteria are everywhere. Our mouths, throat, nose, ears all harbor germs. A few bacteria in the urine are considered normal; and fecal material is largely composed of bacteria. But what about the blood?

Under "normal" conditions physicians generally believe human blood is "sterile." The idea of bacteria living in the blood normally is largely considered medical heresy.

Recently Tom Detwiler of West Sayville, New York, sent me an email with three microphotographs he took from a video of a drop of his blood studied with "phase contrast" and a "dark field microscope." The photos clearly showed round and beaded forms emanating from red blood cells (erythrocytes), strongly suggesting the appearance of bacteria.

In 1977 Domingue and Schlegel confirmed "the existence of a novel bacteriologic system" in the blood. They cultured staphylococcal-like bacteria and filamentous coccobacillary forms from 71% of the blood specimens from ill patients; and from 7% of supposedly healthy people. These pleomorphic bacteria grew out of round complex "dense bodies" and developed into "ordinary bacteria." The authors concluded: "These organisms may represent an adaptation of certain bacteria to life in the blood."

A few critics claim that Detwiler's forms are contaminating bacteria or "artifacts" that are not microbial in origin. However, in view of recent studies, it is clear that bacteria do exist in human blood. Furthermore, bacteria are large enough to be observed microscopically. Thus, Detwiler's observation of bacteria appears credible.

In actuality, the study of the blood and the microbes that emanate from blood cells was the subject of extensive examination in the late nineteenth century by Antoine Bechamp (1816-1908). At the time, it was widely believed that the cell was the smallest unit of life. But the French professor insisted it was the tiny granules within the cell (which he called "microzymas") which comprised the smallest unit of life. In Bechamp's heretical view, bacteria could develop from these microzymas under appropriate conditions. His book, *The Blood and its Third Element*, is still in print.

Blood bacteria are thought to be connected with the origin of life. Livingston (1906-1990) believed these microbes were responsible not only for the initiation of life, but also acted as terminators leading to

death, admittedly a difficult concept for most people to consider. Wilhelm Reich (1897-1957) referred to bacteria emanating from energy-depleted cells as "T-bacilli", the "T" derived from the German word "Tod", meaning death. He found T-bacilli in both healthy and sick individuals. However, in the blood of sick people they were more numerous. Reich devised a blood test to measure the vitality of blood.

Pleomorphic bacteria have a "life cycle" and so do we. We ourselves are "pleomorphic" in that we begin life as microscopic beings and grow to produce new life by mixing our genetic material with others. When we die, we hope to continue as "spirit" with eternal life. In his experiments Wilhelm Reich was astonished to discover that it was impossible to destroy the smallest living forms of life.

The inability of modern medicine to recognize the reality and importance of blood bacteria is the great tragedy of modern science.

The Inspired Prophets and Apostles of Yahweh wrote about this same thing long before mankind invented the microscope that has given him the ability to enlarge microorganisms so they can be seen by the eye. This proves that wisdom beyond mankind's inspired the Prophets to write the Scriptures for us.

The blood of animals, as well as man, contains many forms of life, including deadly viruses. Read:

● Deuteronomy 12:23, 28—

23 But be sure that you do not eat the blood, because the blood is the life, and you must not eat the life with the meat.

28 Observe and obey all these words I command you, so it may go well with you and with your children after you forever, when you do what is Lawful and Holy in the sight of Yahweh your Father.

The catholic church is the leading religion of the earth, and it has taught all other religions iniquity. The catholic church leads the religions, including all christianity, and religions lead the kings or governments of the earth. Therefore, all nations and religions follow the catholic church in her rebellion. Even her enemies have drunk of her poisonous teachings that bring forth sickness, disease, hatred, confusion, fighting, violence, and death.

THE PLAGUES SHE BRINGS

● Revelation 17:1-5—

1 And there came one of the seven malakim who had the seven bowls, and talked with me, saying to me: Come, I will show you the sentence of the great whore that sits upon many waters,

2 With whom the kings of the earth have committed fornication; practiced idolatry: godworship (the worship of elohim), and the inhabitants of the earth have been made drunk with the wine of her fornication.

3 So he carried me away in the Spirit into the *midst* of godworshippers (worshippers of elohim); and I saw a woman sitting on a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns.

4 And the woman was arrayed in purple and scarlet color, and decked with gold, and precious stones, and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication.

5 And upon her head was a name written: Mystery Babylon the great, the mother of the harlots and of the abominations of the earth.

All nations are like the city on the seven hills of Rome that they follow into rebellion against Yahweh's Laws of peace, health, joy and love. Notice: **Revelation 17:4** shows she is filled with abominations and filth is in her vessels. Both of these are part of her fornication, her idolatry, which is demon worship.

● Revelation 9:20-21—

20 And the rest of the men who were not killed by these plagues, still did not repent of the works of their hands, that they should not worship demons, and gods (elohim, teraphim) of gold, and silver, and brass, and stone, and of wood: which can neither see, nor hear, nor walk;

21 Neither did they repent of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

Compare:

● Isayah 65:1-7—

1 I am sought by *those who* did not ask for Me; I am found by *those who* did not seek Me. I said: Here I am, here I am, to a nation *that* was not called with My Name.

2 I have spread out My Hands all the day to a rebellious people, who walk in a way *which is* not right, after their own thoughts; *devices*;

3 A people who act defiantly against Me continually to My Face; who sacrifice in gardens, and burn incense on altars of brick;

4 Who assemble and spend the night keeping memorials for the dead, who eat swine's flesh, and the broth of abominable things; unclean foods, is in their vessels,

5 Who say; Stand by yourself! Do not come near me, for I am holier than you! These *are* a smoke in My Nostrils, a fire that burns all the day.

6 Behold, *it is* written before Me; I will not keep silence, but will recompense, even recompense into their bosom—

7 Your iniquities and the iniquities of your fathers together, says Yahweh: who have burned incense upon the mountains, and blasphemed Me upon the hills. Therefore I will measure their former work into their bosom.

● **Isayah 66:17—**

They who sanctify themselves, and purify themselves in the gardens, following after the priest in the midst of those who eat swine's flesh, that which is offered to gods (elohim) and the rodent—will be consumed together: says Yahweh.

Being consumed together is the sentence for her sins (**Isayah 66:17**). But what sins can reach into the firmament?

The firmament, as we have seen, is made up of kingdoms of single cell microorganisms that work together, for the benefit of mankind, to filter the sun's rays and to form raindrops to give rain to the earth. They perform billions of other jobs that we know nothing about at this time, but these two things science is aware of at this time.

When STD viruses, caused by man's sins, rape the friendly bacteria that form raindrops in the firmament, those bacteria can no longer do their job perfectly, as they once could. Therefore, drought is caused. This is a result of STDs caused by her sins that have reached into the heavens (firmament). When STD viruses rape the friendly bacteria that filter the sun's rays, the bacteria are no longer able to do their job perfectly, as before. Therefore, the earth starts getting warmer. The more viruses that mankind creates, mutates, and sends into the air (heavens/firmament), the more damage will occur to our atmosphere (firmament), the warmer the earth will become, and the weather patterns will change. This is called global warming.

STDs are created and caused by man breaking Yahweh's Laws. Breaking Yahweh's Laws is sin.

● **I Yahchanan 3:4—**

Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

Her sins have reached into the heavens. The more mankind creates and mutates viruses that rape friendly bacteria, the more viruses are put into the firmament. The more viruses put into the firmament, the weaker the firmament becomes. This is all caused by man. Yes, global warming is man-made; but it comes from sin, not burning (wood) fuel.

HER SINS HAVE REACHED INTO THE HEAVENS (FIRMAMENT)

Greenhouse gases may be a nuisance but no Laws are broken and no sin is involved, nor are they the result of sin. Sin is the breaking of Yahweh's Laws. Breaking Yahweh's Laws causes plagues, sickness, disease, confusion, violence, fighting, and war; all of which are the total cause of the world's troubles today that will result in nuclear war, as the earth continues to heat up and become dry, and famine increases. Hatred and violence among people and nations will also increase.

● **Mattithyah 24:7—**

For nation will rise against nation, and kingdom against kingdom, and there will be famines, and pestilences; *disease epidemics*, and earthquakes; *natural disasters*, in place after place.

Why? Notice the Savior's Words first.

● **Mattithyah 24:12—**

And because iniquity will abound, the love of the many will grow cold.

Now, the Great Prophet Isayah's.

● **Isayah 24:1-6, 10, 18-20—**

1 Before Yahweh's *very* Eyes, the earth is made empty and it is made waste; the face of it is perverted and its inhabitants scattered abroad;

2 And it will be: as with the people, so with the priest; as with the servant, so with his owner; as with the maid, so with her mistress; as with the buyer, so with the seller; as with the lender, so with the borrower; as with him who takes usury, so with him who gives usury to him:

3 The land will be utterly emptied and utterly plundered, for it has come to pass that this Judgment has been pronounced.

4 The earth mourns and fades away, and the haughty people of the earth languish.

5 The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

6 Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

10 The cities of confusion are broken down; every house is shut up, so no man may come in.

18 And it will come to pass, *that* he who flees from the noise of the fear will fall into the pit; and he who comes up from the midst of the pit will be caught in the snare; for the windows from on high are open, and the foundations of the earth are shaken.

19 The earth is utterly broken down, the earth is dissolved clean, the earth is shaken exceedingly.

20 The earth will reel to and fro like a drunkard, and will sway like a hut. The transgression in it will be heavy upon it; it will fall, and not rise again.

the VATICAN

the city that judges from and sits on the seven hills

The Vatican leads the world into filthiness and abominations. She sits on seven hills.

● Revelation 17:1-5—

1 And there came one of the seven malakim who had the seven bowls, and talked with me, saying to me: Come, I will show you the sentence of the great whore that sits upon many waters,

2 With whom the kings of the earth have committed fornication; practiced idolatry: godworship (the worship of elohim), and the inhabitants of the earth have been made drunk with the wine of her fornication.

3 So he carried me away in the Spirit into the midst of godworshippers (worshippers of Elohim); and I saw a woman sitting on a scarlet colored beast, full of names of blasphemy, having seven heads and ten horns.

4 And the woman was arrayed in purple and scarlet color, and decked with gold, and precious stones, and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication.

5 And upon her head was a name written: Mystery Babylon the great, the mother of the harlots and of the abominations of the earth.

In verse 3 this city is called a woman.

● Revelation 17:18—

And the woman whom you saw, is that great city which reigns over the kings of the earth.

That woman or city sits on the seven hills of Rome, and is worshipped or served by all people, all nations.

● Revelation 17:15—

And he said to me: The waters which you saw, where the whore sits, are peoples, and multitudes, and nations, and languages.

The word sits means *to judge*. She is called **Babylon**, which means *confusion*. Her sins have reached high up into the firmament, causing plagues to come upon the entire earth. Global warming and drought are only two of many plagues.

● Revelation 18:1-5—

1 And after these things I saw at Abel a Priest; a Teacher; the One Sent from Yahweh. He had Great Authority, for the whole world was revealed the Truth by Yisrayl, who revered Yahweh and His Laws.

2 And he cried mightily with a strong voice, saying: Babylon the great is fallen, is fallen, and is become the habitation of demons, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth have grown rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues,

5 For her sins have reached unto heaven, and Yahweh has remembered her iniquities!

We are instructed to come out of her (verse 4). Yes, you can. Call, write, or email for information about the Protected Place that Yahweh has prepared for His People, those who will come out of her, in these Last Days.

● Revelation 18:4—

And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues.

HERE'S HOW...

The very Appointments that the catholic church changed and caused the people to stop keeping are the same Appointments that show you are sanctified or set apart by Yahweh for a special use, and offer you Yahweh's Protection.

Study closely the following Inspired Scriptures. Remember the weekly Seventh Day Sabbaths and the Feast Sabbaths are a time of joy, with Holy gatherings called convocations.

● **Leviticus 23:1-8—**

- 1 And Yahweh spoke to Mosheh, saying:
- 2 Speak to the children of Israyl, and say to them; Concerning the Feasts of Yahweh, which you shall proclaim to be Holy Convocations; these are My Feasts:
- 3 Six days shall work be done, but the Seventh Day is a Sabbath, a Holy Convocation. You shall do none of your work *on it*. It is the Sabbath of Yahweh in all your dwellings.
- 4 These are the Feasts of Yahweh, His Holy Convocations, which you shall proclaim in their seasons:
- 5 On the Fourteenth of the First Moon,

between the two evenings, Yahweh's Passover Sacrifice is to be killed.

6 And on the Fifteenth Day of the same Moon is the Feast of Unleavened Bread to Yahweh; seven days you must eat unleavened bread.

7 On the first day you shall gather to sanctify the Name of Yahweh, showing your loyalty to Him by doing Righteous works; therefore, doing the Work of Yahweh on it.

8 And you shall zealously offer yourselves to Yahweh in service for seven days. On the Seventh Day you shall gather to sanctify the Name of Yahweh, showing your loyalty to Him by doing Righteous works; therefore doing the Work of Yahweh.

The Apostles continued to encourage their followers to continue with these gatherings; although they were being persecuted for doing so. Notice:

● **Hebrews 10:24-27—**

24 And let us consider one another, how we may urge *one another* on toward love and Righteous works;

25 Not forsaking the gathering of ourselves together, as the manner of some is, but exhorting *one another*; and so much the more as you see the day approaching.

26 For if we sin willfully after we have received the knowledge of the Truth, there no longer remains a sacrifice for sins,

27 But a certain fearful expectation of Judgment, and fiery indignation which will devour the adversaries.

● **Colossians 2:16—**

Therefore, let no man condemn you for *doing these things*: eating and drinking in the observance of a Feast Day, or of a New Moon, or of the Sabbath Day.

This sounds a lot like what Yahchanan said.

● **1 Yahchanan 3:7—**

Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

● **Mattithyah 6:33—**

But seek you first the Kingdom of Yahweh and His Righteousness, and all these things will be added to you.

● **Deuteronomy 12:5, 7-8, 12—**

5 But you are to seek the Habitation of your Father; The House of Yahweh—the place which Yahweh your Father shall choose out of all your tribes to establish His Name—and there you must go.

7 There, in front of Yahweh your Father, you and your families shall eat, and you shall rejoice in all that you have put your hand to do, because Yahweh your Father has blessed you.

8 You must not at all do as we are doing here this day—every man doing whatever is right in his own eyes—

12 And you shall rejoice in front of Yahweh, you and your wife (wives), your sons, your daughters, your menservants, your maidservants, and the Levite who lives within your gates, since he has no portion nor inheritance with you.

● **Hebrews 4:1-11—**

1 Therefore, since a promise of entering His Rest remains, let us be faithful so that none of you should come short of it.

2 For this Message was preached to us, as well as to them; but the word which they heard did not benefit them, because they did not share in the Faith of those who obeyed—

3 However, we who have believed do enter that Rest, as He has said: So I vowed in My Judgment; They will not enter into My Rest, although the works were finished from the foundation of the world,

4 For He spoke in a certain place of the Seventh Day, in this way: And Yahweh rested the Seventh Day from all His works.

5 And in this place again: If they will enter into My Rest.

6 Since therefore it remains that some must enter it, and those to whom it was first preached did not enter because of disobedience,

7 Again, He designates a certain day, saying in David: "Today," after so long a time, as it has been said: Today, if you will hear His voice, do not harden your hearts.

8 Now Yahshua caused them to Rest in obedience to the Law, spoken of by Yahweh in a day previously.

9 Therefore, there remains the keeping of the Sabbath to the people of Yahweh,

10 For he who has entered into His Rest has also ceased from his own works, as Yahweh did from His.

11 Therefore, let us be zealous to enter into

that Rest, so that no one may fall after the same example of unbelief.

● **Hebrews 10:24-27—**

24 And let us consider one another, how we may urge one another on toward love and Righteous works;

25 Not forsaking the gathering of ourselves together, as the manner of some is, but exhorting one another; and so much the more as you see the day approaching.

26 For if we sin willfully after we have received the knowledge of the Truth, there no longer remains a sacrifice for sins,

27 But a certain fearful expectation of judgment, and fiery indignation which will devour the adversaries.

● **I Corinthians 5:8—**

Therefore, let us keep the Feast, not with old leaven, neither with the leaven of malice and wickedness, but with the unleavened bread of sincerity and truth.

● **Hebrews 10:24-25—**

24 And let us consider one another, how we may urge one another on toward love and Righteous works;

25 Not forsaking the gathering of ourselves together, as the manner of some is, but exhorting one another; and so much the more as you see the day approaching.

Satan does not want you near Yahweh's Protected Place where you learn the Laws of Righteousness. She tries to deceive.

● **Revelation 12:9—**

And the great dragon was cast out, that old serpent, called the devil, and Satan, who deceives the whole world. She was cast out into the earth, and her angels were cast out with her.

● **I Yahchanan 3:4, 7-8, 10—**

4 Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

7 Little children, let no man deceive you; he who practices Righteousness is Righteous, just as He is Righteous.

8 He who commits sin is of the devil, for the devil has sinned from the beginning. For this purpose the Son of Yahweh was manifested; that He might destroy the works of the devil.

10 In this the Children of Yahweh and the children of the devil are manifest. Whoever does

not practice Righteousness is not of Yahweh, and he does not love his neighbor!

Her sins have reached into the heavens.

● **Revelation 18:5—**

For her sins have reached unto heaven, and Yahweh has remembered her iniquities!

Her sins are causing global warming—plagues.

● **Revelation 18:4—**

And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues.

Greenhouse gases are not sins. Burning gas, coal, or wood is not sin. What is causing the plagues of drought and global warming is coming forth from her.

● **Revelation 18:5—**

...her sins...

What is causing global warming is also causing sickness and disease; all kinds of STDs in people, as well as the sea and the heavens (firmament).

● **Revelation 17:4—**

...cup in her hand full of abominations and filthiness of her fornication.

This church that sits on seven hills changed the Laws of Yahweh in the minds of the people, bringing forth the lie of christianity, and all other religions. If you are not aware of the catholic church removing the Names of Yahweh and Yahshua Messiah from the translations of the Holy Scriptures and replacing them with Jesus, Christ, lord, the lord, and god, call, write or email us today; let us get you these facts that they, themselves, admit.

The Name House of Yahweh was changed to temple. After that, laws carrying the death penalty were passed for anyone caught practicing any of Yahweh's Laws.

Yes, because of her, the catholic church, the

earth (world) and the firmament mourn and fade away.

● **Isayah 24:4—**

The earth mourns and fades away, the world mourns and fades away, and the haughty people of the earth languish.

The earth and firmament are plagued and growing worse. The plagues afflicting the earth and the firmament are worse than the black plague that she caused. All of the suffering is because of her sins.

● **Revelation 18:5—**

...her sins...

● **Isayah 24:5—**

The earth also is defiled under the inhabitants of it, because they have transgressed the Laws, changed the Ordinance, and broken the Everlasting Covenant.

Notice the word **transgressed**. Compare:

● **I Yahchanan 3:4—**

Whoever commits sin, transgresses also the Laws; for sin is the transgression of the Laws.

Because of her sins...

● **Isayah 24:6—**

Because of this, the curse has devoured the earth, and they who dwell therein are desolate; therefore, the inhabitants of the earth are burned, and few men left.

● **Revelation 18:5—**

For her sins have reached unto heaven, and Yahweh has remembered her iniquities!

The heavens is the firmament shown in:

● **Genesis 1:6-8—**

6 And Yahweh said: Let there be a firmament (expanse) between the waters and let there be separation between waters from the waters.

7 So Yahweh made the firmament (expanse), and separated the water under the firmament (expanse) from the water above it. And it was so.

8 And Yahweh called the firmament (expanse) sky. And the evening and *then* the morning were the Second Day.

Sins such as fornication, adultery, homosexuality, bestiality, and sodomy cause STDs.

The firmament is made up of micro-kingdoms of friendly bacteria that form raindrops to water the earth. There are also micro-kingdoms that constantly adjust to filter the sun's rays. The viruses or STDs, created by the her spoken of in **Revelation 18:5** through her teaching of lawlessness to the minds in the world, have entered the firmament. Just as the STDs have multiplied on the earth, they have multiplied in the waters, both freshwater and saltwater, and also in the firmament.

The AIDS virus rapes bacteria. At this time, it is raping the micro-kingdoms in our firmament rendering them unable to do their assigned jobs. The firmament is getting weaker and weaker. The earth is getting warmer and the rain is not

being properly adjusted. The sun's rays are not being properly adjusted. The earth mourns and fades away.

Mr. Pope, why will you not repent and give the people back the Righteousness that would stop these plagues? You people of this evil and adulterous generation, why will you burn? Why will you not repent of your sins and stop bringing these plagues upon yourselves?

For those of you who want to repent and come out of this evil and adulterous generation, Yahweh, in these Last Days, has provided a place for you to do so.

● **Micahyah 4:1-3—**

1 But in the Last Days it will come to pass that the mountain; *promotion*, of The House of Yahweh will be established in the chief of the nations. It will be raised above all congregations; and all peoples will eventually flow to it.

2 And many people will go and say; Come, and let us go up to the mountain; *uplifting*, of Yahweh, and to the House of the Father of Yaaqob, and He will teach us of His Ways, and we will walk in His Paths. Because the Laws will depart from Zion, and the Word of Yahweh from Yerusalem.

3 And He will judge between many people, and rebuke strong nations afar off; and they will beat their swords into plowshares, and their spears into pruninghooks. Nation will not lift up sword against nation, nor will they learn war anymore.

Yahshua Messiah said to sin no more, less a worse thing come upon you.

● **Yahchanan 5:14—**

Afterward, Yahshua found him in the sacred precincts of The House of Yahweh, and said to him: Behold, you are healed. Sin no more, or a worse thing will come upon you.

The whole world is deeply involved in sin. It's more than the earth can stand, which fulfills the following Prophecy at this time.

● **Isayah 24:20—**

The earth will reel to and fro like a drunkard, and will sway like a hut. The transgression in it will be heavy upon it; it will fall, and not rise again.

He also said to come out of her, do not partake of her sins.

● **Revelation 18:4—**

And I heard another voice from heaven, saying: Come out of her, My People, so that you do not partake in her sins, and so that you do not receive of her plagues.
