### Important Information For All Who Have Campers On The Grounds:

We are in the process of cleaning up and beautifying Yahweh's Campgrounds. We are requesting that while you're at the Feast, you clean up your campsite areas, removing any unnecessary clutter or trash and making any needed repairs. Let's work together to make Yahweh's Campgrounds spotlessly beautiful!!

Please remember the following:

1. If your camper is in a section designated for full hookup, the full donation is required for that site. Once your camper is on the grounds, even if you are not planning to stay in it, the full donation is required for use of the site or the camper must be removed.
2. All property is brought and left at owner's own risk. The House of Yahweh assumes no responsibility for damages to any personal property of any kind on the campgrounds. All personal property needs to be insured by the owner(s) against fire, theft, vandalism or damages of any kind.
3. If you plan on leaving any personal property on the campgrounds, we do ask for a monthly donation for storage of your property. Please inquire at the offices for more information.
4. If you no longer desire to attend Yahweh's Feasts, you must remove your personal property from the campgrounds. You have 30 days (beginning at the end of the first Feast you choose not to attend) to remove your property. After those 30 days, property will be considered abandoned and will be disposed of.
5. By registering for the Feast and leaving personal property on the campgrounds, you are agreeing to these terms.
