The House of Yahweh in Abilene (Abelin), Texas is the only place on the face of the earth that keeps and practices the 613 Laws of Yahweh written in the Holy Scriptures. All people are welcome to The House of Yahweh. We only ask that you come with a humble heart, willing to listen and learn. You will meet many different people from many different walks of life but all with the same desire to learn of Father Yahweh.

You can join us each Sabbath (Saturday) for Services. You can also go to our website (yahweh.com) to watch live broadcasts of Sabbath Services. You will see for yourself the Message we teach. All are also welcome to join us 3 times a year at Yahweh's Commanded Feasts.

We know there are many rumors about The House of Yahweh and we do not want to dwell on these, but we would like to take a minute to clear up a few of the rumors, so they do not hinder you from seeking Yahweh's Great House.

The House of Yahweh property is comprised of 44 beautiful acres upon which is the Sanctuary and a large campground. There is a gate at the entrance, just as you would find at colleges or some apartment complexes, but no one is locked in at any time. Everyone is permitted to come and go as they please.

There are a few caretakers who stay on the campgrounds year round, but our other local members either own or rent their own property in the Abilene/Clyde/Eula areas. We do not all live together on the campgrounds.

People come from all over the world to keep Yahweh's Feasts at His House. The campgrounds are occupied three times a year for these Feasts. After the Feasts end, everyone returns to their own nations, states, and homes.

We teach to be respectful of others, young and old. We teach against hurting anyone else or anyone else's property. Like the Savior and the Apostles, we teach that we must obey the laws of the land and give respect to all authorities. We do not practice polygamy and we do not condone underage marriages.

We hope these few comments have helped to clear up any misconceptions you may have had. Within the pages of this information guide, you will find more specific details about what The House of Yahweh is truly about, what to expect and how to prepare for when you come.

Come see for yourself the love and joy that Yahweh promotes through His Great Feasts. But mark my words... Satan will try to stop you! Satan will supply you with every excuse in order to try to turn you away from obeying Yahweh's Law of going to the place He has chosen!

Be determined in your mind that **nothing** will stop you from coming to Yahweh's House! Remember, Satan can only go as far as Yahweh allows. Yahweh may allow you to be tested, but not more than you can stand, to see how sincere and determined you are to obey Him.

Yahweh is all Powerful, and He loves to show His Presence to His Family at His Eternal Appointments with us. Yahweh's Blessings will come to you when you learn what Yahweh expects of you and when you confess your sins, repent and then submit to His Will. May Yahweh bless you as you prepare to serve Him.

In the Love of Messiah,

Yisrayl Hawkins
Pastor and Overseer

The Weekly Seventh Day Sabbath

Exodus 20:8-11—

8 Remember the Sabbath Day, to keep it Holy.

9 Six days you shall labor and do all your work,

10 But the Seventh Day is the Sabbath of Yahweh your Heavenly Father. *In it* you shall not do your work: you, *nor your wife*, nor your son, nor your daughter, nor your manservant, nor your maidservant, nor your cattle, nor the stranger who *dwells* within your gates.

11 For *in* six days Yahweh made the heavens and the earth, the sea, and all that are in them; and rested the Seventh Day. Therefore, Yahweh blessed the Sabbath Day, and hallowed it; *Yahweh made the Sabbath Day Holy*.

The seventh day is Saturday as we see in the following definition from the *American Heritage Dictionary*.

Sat·ur·day *n.* *Abbr. S., Sat.* 1. the seventh day of the week. 2. the Sabbath for many Jews.

Only The House of Yahweh keeps the Seventh Day Sabbath as He has commanded. Call or write for more detailed information on the Sabbath or go to our website.

You can watch live broadcasts of the sermons each week, beginning at 9:30 am CST. go to yahweh.com for more information.

Eternal Appointments With Father Yahweh

The Seventh Day Sabbaths and the Feast Days are Eternal Appointments with Father Yahweh, when He meets with us. For all Eternity we will share these special days with our Heavenly Father. We must realize and understand that we must receive teachings from the place Yahweh chooses to place His Name in order to truly keep these Appointments with Him.

The religions throughout the world today do not teach Yahweh's Laws. That's the reason the morals of today are at the very bottom and the earth and people are filled with sickness, disease, hatred, violence and soon nuclear wars. The religions do not keep Yahweh's Sabbaths or Feasts.

Where will you find the Laws of Yahweh taught and practiced today? Only at the place where Yahweh's Prophets foretold that Yahweh would establish His Work in the Last Days by the Two Witnesses. There you will find the Name—The House of Yahweh—and you will find the Sabbaths and Feasts Days, Holy Convocations, being celebrated, as commanded in **Leviticus 23**. Notice, these are Yahweh's Feasts.

Leviticus 23:4—

These are the Feasts of Yahweh, His Holy Convocations, which you shall proclaim in their seasons:

These are Yahweh's Holy Convocations, meaning that the Creator meets with His People at the Place He chooses to place His Name. Is it any wonder that Satan's ministers wish to stop these Appointments with Yahweh? These are Appointments that we, as Children of Yahweh, will be keeping with the Creator Himself throughout all Eternity each Holy Sabbath Day and during Yahweh's Feasts.

How Are The Feasts Scripturally Set? Faithfully Watching For The New Moon

In order to set the exact dates for Yahweh's Feasts, we must understand what is written in His Laws. To begin Yahweh's Sacred year, the green ears of barley must be sighted. After the green ears are sighted, the next New Moon we see is the first moon, beginning Yahweh's Sacred Year. (**Deuteronomy 16:1**).

The dates for Yahshua's Memorial as well as the Feast of Passover and Unleavened Bread are dependant upon the sighting of the first new moon. (**Leviticus 23:5-8**)

The Feast of Weeks (Pentecost) is set by counting 50 days, beginning with the Second Day of Passover. (**Leviticus 23:15-16,21**)

For Yahweh's Feast of Trumpets, Atonement, Tabernacles and the Last Great Day, we must sight the seventh New Moon. (**Leviticus 23:24,27,34,36**)

You can find the anticipated dates and times for each New Moon and Feast of Yahweh throughout the year in **The House of Yahweh Calendar**. However, they are only confirmed by the actual sighting of the first and seventh New Moons. For confirmation of moon sighting and Feast dates, please call or go to our website.

Lawful Use Of Tithes

Yahweh has even given us an ordinance to help us prepare for His Feasts: the Law of Tithing.

FIRST TITHE, the first tenth of all our increase, is Holy to Yahweh. We CANNOT Lawfully use first tithes to prepare for or keep Yahweh's Feasts (**Lev. 27:30,32,34; Mal. 3:10; Deut. 12:5-8**). First tithe not yet given to The House of Yahweh, should be brought with you when you come to the Place Yahweh has chosen to place His Name.

SECOND TITHE, the second tenth of all our increase, is ONLY to be used to prepare for and keep the three Feasts we are commanded to attend at Yahweh's House. (**Deut. 14:23-26**).

We CAN Lawfully use Second Tithes to keep the Feast:

For transportation/gas to and from the Feast.

For dwelling needs during the Feast: tent/camper sites donations, electrical outlet for refrigerator rentals, etc. (**Deut. 14:24-25**)

For food and drink during the Feast, obtained through the general stores/cafeteria. (**Deut. 14:26**)

For Spiritual food and growth by obtaining The House of Yahweh literature, MP3s and Holy Garments from the Offices. (**Deut. 14:26**)

THIRD TITHE, during a third tithe year, the third tenth of all our increase, is to be given to Yahweh's House to help the widows and the poor. We cannot Lawfully use third tithes to prepare for or keep Yahweh's Feasts.

OFFERINGS, our freewill offerings that we vow to make to Yahweh, are also Holy to Yahweh. We cannot Lawfully use offerings to prepare for or keep Yahweh's Feasts. During the Feast, offerings are to be made daily, since we are commanded not to appear before Yahweh empty handed.

Services Held Daily

The most exciting part about coming to The House of Yahweh is being able to learn about Yahweh our Heavenly Father. We are truly blessed to be called out of this sin-sick world to come to keep Yahweh's Sabbaths and Feasts where we can learn about Yahweh's 613 Perfect Laws. We have Sabbath services each week. During the Great Feasts of Yahweh, we have services every day! Hearing Yahweh's Word, given to the Prophets and spoken by His Ordained Teachers, is one of the greatest blessings you will ever receive. You will be amazed to hear Yahweh's Laws and Prophecies brought forth at Yahweh's House.

And it will come to pass *that* from one New Moon to another, and from one Sabbath to another, all flesh will come to worship before Me, says Yahweh.

-ISAYAH 66:23

Workshops/Classes

Every Sabbath afternoon and daily during the Feasts, you will enjoy workshops which cater to all ages. By separating men and women and dividing into small groups, everyone is given the opportunity to learn Yahweh's Way in a friendly, personal environment.

We also have classes on Sabbaths and daily throughout the Feast for children of all ages. Feel free to attend classes with your children and share in this wonderful hands-on learning environment.

During the Feast, we are blessed by having educational and informative classes or films every evening.

Yahweh has given us 44 acres on which we may keep His Great Feasts. This is truly the most beautiful place on the face of the earth! Nestled within the large oak trees are sites perfect for camping.

In addition to travel trailer spaces with full hook up available, we also have a beautiful Tent City, shaded with beautiful oak trees. The tent areas are located close to Yahweh's Great Sanctuary. You will find our large restroom/shower rooms are also conveniently located closeby. Each site is large and spacious to give you plenty of room and to accomodate almost any size of tent. Throughout the tent areas are barbecue/cook pits along with water faucets to make your stay even easier and more enjoyable.

Don't think you'd enjoy staying in a tent? That's okay, we also have travel trailer sites available. These sites are large and can accomodate most travel trailer sizes, even the larger ones. Sites are equipped with electricity, water and sewer hookups. The House of Yahweh does not provide travel trailers, so bring your own and enjoy the Feast! There are also many nearby hotels in the Abilene/Clyde area to meet your needs.

The camping facilities are only available for use three times a year at the Feasts.

Registering For The Feast

To reserve a spot for the Feast, please fill out a Member Information/Campsite Form and return it to Yahweh's House as soon as possible. That's it! We encourage you to call 3-4 weeks before the Feast to confirm your reservation. Please be as specific as possible on the form so that we are best able to meet your needs. You can also register online at yahweh.com.

Once you have been assigned a tent or travel trailer lot, we will do our best to allow you to keep the same site from Feast to Feast. However, The House of Yahweh does

reserve the right to change your campsite as necessary to accommodate all of Yahweh's People. We ask for your cooperation and patience in this matter.

Each section of the campgrounds has its own donation based on services provided at that site (i.e. water, electric, sewer). Full donations are required for the section you are assigned to. Be careful to specify which services your travel trailer needs on the Member Information/Campsite Form so that you may be assigned to the best section to meet your needs.

Campground Layout

Section A: Tent City, is located in the middle of the campgrounds. It is our **TENT ONLY** section, and well-suited for them because of its shade trees scattered throughout the area. **No utilities** are available with these sites.

Section C: located on the Southwest side of Tent City, is a section for tents, vehicles and campers with **no utilities**.

Section D—located on the West Side of Tent City is a section for campers/buses only. Sites available with **water and electric only** or with **water, electric and sewer**.

Sections B, E, H, J, L, M, N, O, P, Q, R, S and T are located throughout the grounds and are sections for campers only with **water, electric and sewer**.

Section F—located on the West side closest to Tent City is a section for campers/buses with **water and electric only**.

Section G—located on the North side, closest to Tent City and next to the Women's Restrooms/Shower Rooms. It is for women only in campers/vehicles **with no utilities**.

Upon Your Arrival

Upon first entering the campground, you will come upon a large building to the left. This is the Women's South Office. Going on the road a little further, you will see a small blue building. This is the Men's Registration Booth. The Men's South Office is located to the southwest of the Sanctuary. We ask for women to please come into the Women's South Office for assistance and to receive your site. Men, we ask that you go to the Men's Registration Booth or the Men's South Office for assistance. Even if you received your site number over the phone, please do not set up camp until you have confirmed your site.

Things You Need To Know As You Set Up Camp

Tent and travel trailer sites are marked for easy finding. If you have any difficulty finding your spot, please check back with the offices.

As you set up camp and prepare for the Feast, please note the following:

1. You'll need your own flex or hard lines to attach your travel trailer to the sewer outlet.

2. You may need a 3-pronged electric adapter for travel trailers.

3. For safety reasons, only use battery operated, kerosene or propane camping equipment. Electric heaters are not permitted in any dwelling at any time. Open candles are not allowed in tents and are not recommended for travel trailers. Light heaters/stoves/lanterns outside your tents and then bring them inside.

4. No vehicles are permitted to remain in the tent section. It is permissible to drive into Tent City in order to unload your vehicle. However, immediately after you have unloaded, please move your vehicle into the main parking area. We also ask those of you in travel trailers to please move your vehicle to the main parking area after you have unloaded.

5. Please have a working fire extinguisher in your tent or travel trailer.

6. Limit shower taking in travel trailers to conserve water.

7. Check your travel trailer for leaks and drips and repair as needed. Please help us prevent sewer failure. If you need assistance with a leak or repair, please contact one of the offices.

Shower Rooms & Restrooms

The Men's and Women's Shower Rooms/Restrooms are comfortable and convenient for use during the Feast. Electrical outlets are supplied near the sinks for dryer/shaver use.

We ask for your consideration when you use these facilities by:

1. Taking short showers to conserve water.
2. Taking all your belongings when you leave.
3. Cleaning up after yourself and your children.
4. Noting that the showers are closed daily during morning services, and again from 5:00 p.m. to 5:30 p.m. & from 10:30 p.m. to 11:00 p.m. for cleaning. Please adjust your schedule accordingly.

Odds & Ends About The Campgrounds

- Electrical outlets (as needed for a refrigerator, electric wheelchair or scooter, etc.) are available for a donation. For more information, ask at the Offices.

- The House of Yahweh does not rent or provide travel trailers, only campsites. Please bring your own.
- If you are having a travel trailer delivered for you, please notify the South Office in advance of its arrival.
- There are dumpsters located throughout the campgrounds for trash removal or listen to the announcements for trash pick up times.
- There is a sanitary dump station to empty your portable toilet container. Listen to the announcements for the specific times our dump station will be open and an attendant will be on duty to help you. If you need assistance, come to the Offices.
- There are washtubs and clotheslines located throughout the camp to assist with your clothes washing needs while at the Feast.

A Final Note On Travel Trailers

Some members have requested to leave their travel trailers on the campgrounds between the Feasts. This is permissible, but please be advised that any personal property left on the campgrounds is left at the owner's own risk. We recommend you get insurance on your property. If you no longer desire to attend Yahweh's Feasts, you have 30 days (beginning at the end of the first Feast you choose not to attend) to remove your property. If it is not removed by 30 days, property will be considered abandoned and will be a donation to The House of Yahweh to use or disposed of as deemed necessary.

Please ask at the Offices for permission to leave your trailer and for more details.

If you decide to leave your travel trailer on the campgrounds between the Feast, we advise that you get it winterized for the winter months. Inquire at the South Offices for Ha-Kahan Achad Winterization Services that are available.

NO WEAPONS ALLOWED

No firearms of any kind are allowed on the premises. When you come to the Feast, you will see a sign prohibiting concealed weapons on the grounds. If you have firearms, we ask that you willingly **surrender them immediately**, upon your arrival. A secured place off the grounds will be provided for them, and then they will be returned to you when you leave. The best policy, however, is to leave all firearms at home and locked up securely.

Please be advised that in preparation for the world leaders and dignitaries who will soon be coming to Yahweh's House, we may perform random metal detection scans before entering the Sanctuary. Please do not be offended if you are asked to be scanned or to have your bags checked. This is merely another way to prove that we care for everyone's safety and that the people coming to Yahweh's House are peaceful and do not seek to harm others or cause any problems.

Illegal Drugs Will Not Be Tolerated

No illegal substances of any kind will be tolerated on the premises and grounds of The House of Yahweh. This includes marijuana or any other controlled substance. Bringing illegal drugs or any other illegal substances on The House of Yahweh premises and grounds will result in your immediate expulsion. If you suffer from this problem, you need to repent of this sin and convert to Yahweh's Way **before** you come to the Feast.

Concerning Alcoholic Beverages...

You can read for yourself that Yahweh does not condemn drinking (**Deuteronomy 14:26**). Yahweh does condemn drunkenness (**Deuteronomy 21:18-21**). Every individual is responsible for monitoring and controlling himself while drinking and being careful not to abuse this privilege.

However, due to the seriousness of the times we are in and our desperate desire to be close to Yahweh at His Appointments with us, we are asking that all alcohol be refrained from during Yahweh's Feast Days (other than the small portion given during Yahshua's Memorial).

The Tobacco Policy

We ask those of you who have not yet overcome

tobacco to limit your habit (cigarettes, pipes, cigars, or dipping) to your own dwellings.

Speed Limit

Speed limit on the Campgrounds is 5 mph. Please be mindful of the speed limit for the safety of others.

The Pet Policy

Due to the many people who own pets, and the problems that pets pose at the Feastgrounds, our **strong recommendation** is that you make arrangements at home for your pets to be cared for while you attend the Feast. If you must bring a pet to the Feast, please keep it inside a dwelling or in a pen that you provide for the safety of others. Just chaining the pet outside is not sufficient.

Other guidelines include:

1. Waste matter from dogs or cats is unclean and must be scooped up by you!
2. All dogs must be on leashes when outside for a walk.

While In The Sanctuary...

Cameras, Camera Phones And Recorders Are Not Allowed During Services.

No cameras (including camera phones) or recorders of any kind are allowed to be used in the Sanctuary during services.

If you would like a picture of Pastor Hawkins, please listen to the announcements to find out when this can be done.

All pagers and cell phones need to be left in your dwelling, or turned off or to silent mode in the Sanctuary so they do not interrupt the speaker or distract others.

Food, Drink & Gum

There is a special section in the Sanctuary for food and drink. We ask that you limit your eating and drinking to the designated areas. Infants can have plastic bottles which will not break and small children can have spill-proof plastic cups anywhere in the Sanctuary.

Gum chewing is not allowed in the Sanctuary at any time. If you choose to chew gum when not in the Sanctuary, please dispose of it properly in the trash and not on the ground.

Proper Conduct between males & females

Yahweh's Laws are perfect; they give us special instructions on how to guard ourselves from falling into sin. One of the most important ways we guard ourselves from this is by having a separation between men and women.

- **MEN:** please do not make eye contact with or approach any female you are not Lawfully permitted to speak to (such as your own wife/daughters).
- **WOMEN:** please do not make eye contact with or approach any male you are not Lawfully permitted to speak to (such as your own husband/sons).

If you have any questions, please ask your Counselors. More information will be given in the Orientation class.

Affection (holding hands, hugging, kissing, etc.) between husband/wife is a beautiful blessing Yahweh gave us that is meant to be kept private—not shared in public. We should also be mindful not to share personal pictures of our families with others.

Please be aware that there are areas on the campgrounds that are specific to males only and females only.

Safety For Our Children

Our children are some of our most special treasures, and we must do all we can to ensure their safety by knowing their whereabouts at all times. During services, children are to remain with their parents/guardians (boys 4 and up with the men; girls with the women). Children should be escorted to all classes. An adult must accompany children under the age of 12 into all House of Yahweh facilities, including the bathrooms and shower rooms (every time).

Even our young men and women need to be protected from harm. For that reason, we ask that all males and females ages 13-18 be accompanied by an adult at all times. If your son or daughter is anywhere on the Feastgrounds (other than on an authorized work detail or in a scheduled HOY class or Workshop), we ask that you remain with him or her, or provide other appropriate supervision.

Appropriate supervision is another adult, not an older sibling or another young man or woman. Young men and women should never be out walking on the campgrounds by themselves or with other young men and women.

CURFEW IS AT 11:00 P.M. SHARP!

Everyone must return to his/her own dwelling by curfew, **11:00 p.m.**

There are other services available to Ha-Kahan Achad members/guests. If you would like more information on Ha-Kahan Achad Services, please inquire at the Offices. Below are a few of the services available.

- not have any type of foul language, vulgar symbols, god worship, cartoon characters, superheros, or sexual innuendos.
- always be worn in public view.

Pants must:

- be loose fitting, not exposing the outline of the body. With some pants (such as sweat pants) it may be necessary to wear a shirt long enough to cover the private area.
- not have any pagan symbols on them.

Holy Women Of Yahweh

Tops must:

- completely cover the entire shoulder and armpit, and reach at least halfway to the elbow; an undershirt which meets these requirements must be worn with any blouse that has sheer sleeves
- be loose fitting, not showing the form or outline of the body
- not be low cut in the front or the back, or expose any part of the breast, cleavage/chest, or stomach; blouses with buttons must not be unbuttoned too low

- All children need to be in Dress Code, regardless of age.

Note: Shorts/Capris are not allowed for adults or children. For further information, obtain Pastor Hawkins' sermon on not dressing in the ways of the world dated 5-19-02.

Outward Adorning For Holy Men Or Women

- Just as the Holy men and women of old wore modest, discreet apparel, we encourage all to do the same.
- When outside on the Feastgrounds, it is encouraged that men and women alike wear veils over their faces. Men may wear the mask veils, and a woman's veil is to hang down from her face. Remember, Yahweh gave us the veil for our protection and it is a blessing to be able to come under the Shadow of Yahweh's Protection.
- Make-up is acceptable for women but be sure to check *The Clean and Acceptable Guide* to verify that your makeup has only clean ingredients.
- During times of uncleanness, long sleeves, veils and latex/vinyl gloves must be worn.

Dressing According To Your Gender

Yahweh's Law clearly tells us in **Deuteronomy 22:5** that a woman is not to wear what pertains to a man and a man is not to wear a woman's garment. Many of the dress styles in today's world are shared between the men and the women. In Yahweh's House, this must not be so.

Women must not wear any pants with a fly zipper in the front or any type of button fly or mock fly (the flap, even without a zipper). This style of clothing was designed for men and is not to be worn by Holy women of Yahweh. Women's pants/skirts may have zippers or buttons on the side or the back of the garment, elastic or a drawstring. A woman should never wear any clothing that is made for a man nor should she wear her husband's clothing.

A Holy man of Yahweh must be sure he never wears any garment that was designed for a woman. He also must not wear any of his wife's clothing or allow her to wear his.

Is there an Orientation Class if it is my first Feast?

Before the Feasts, we have an orientation to help newcomers become familiar with the campgrounds and get answers to any questions. Please ask upon your arrival of the time and location of the orientation classes.

What do I do if I want to get baptized?

We normally have baptisms before Yahshua's Memorial, at the end of the Feast of Unleavened Bread, during the Feast of Pentecost and at the end of the Feast of Tabernacles. Request baptism counseling upon your arrival. Listen for the announcements for days and times of baptisms.

Baptisms are done in our own pond. It is truly a beautiful place.

When Is Yashshua's Memorial and what do I need to bring with me when I attend?

The Apostle Shaul spoke of the institution of Yahshua's Memorial in **I Corinthians 11:23-26**. Yahshua's Memorial takes place the night before the Passover Feast of Unleavened Bread begins. We must partake of this Memorial in order to partake of Yahweh's Passover. **You Must Be Baptized To Partake In This Ceremony.**

If you are seeking baptism, please plan to arrive at the Feast grounds in time to do your confession, receive counseling and be baptized before the Memorial. Anyone who is not baptized may not participate in the ceremony, but is welcome to attend the service.

When preparing for the Memorial, shower, ablute (if possible), confess and repent. Wear clean clothes and shoes (we suggest slip-on shoes, and it's best to omit socks/stockings). Plan to arrive at the Sanctuary before sunset.

A measure of salted water will be poured into your foot washing pan as you enter the Sanctuary to be seated. Enter quickly and quietly, ushers will guide you to your place. You will be instructed further throughout the Memorial and there will be ushers available to help as needed.

Mothers with children ages 3 and under may use the nursery for the entire service, or your infant/child may sit quietly with you in the Sanctuary.

A special section is designated in the men's area for male children, ages 4 and over, of mothers needing assistance. There is also a special section set up on the women's side for any daughters of fathers needing assistance. These areas are closely monitored. If you have any other questions about Yahshua's Memorial, please ask at your baptism counseling or at the offices.

Do I need to remove leavening from my home for the Feast of Unleavened Bread before I come to the Feast?

Yahweh commands us to remove all leavening and leavened foods from our dwellings (**Exodus 12:15**) for His Feast of Passover and Unleavened Bread (of course leavening is acceptable for the other Feasts). Before you leave your home, be careful not to leave any leavening, or anything leavened in your home. Don't forget to dispose of your vacuum cleaner bag. If you are unsure what leavened products are, please read our booklet, *The Blood And Body Of Messiah*.

How do I get a list of products that are clean and acceptable?

Preparing Scripturally acceptable meals can be a time consuming job with all of the unclean foods there are on the market. If you do not understand why the people of Yahweh do not eat or use certain foods and products, read our booklet, *Health, Yahweh's Way*. Refer to *The Guide To The Clean & Acceptable* to help you find acceptable foods. This booklet is updated once a year and is available at the South Offices.

What if I lose something while at the Feast?

If you lose something, check the lost and found tables located inside the Sanctuary. You'll be less likely to lose your things, if you remember to take your belongings with you when you leave the Sanctuary, Shower Rooms, etc. We ask that you please write your name and phone number on all your belongings.

If you find anything of value (money, jewelry) please take it to the North or South Offices so it may be kept safe until its rightful owner comes to claim it.

The House of Yahweh is NOT RESPONSIBLE for lost, damaged or missing items.

What are "voucher coupons" and do I need to get some?

The Ha-Kahan Achad Member Services has its own voucher coupons for use by members and guests. The vouchers can be used for services on The House of Yahweh

campgrounds. Vouchers can be used at all House of Yahweh locations, but are only necessary on the Sabbaths.

Who do I ask if I have Scriptural questions?

The House of Yahweh literature and sermons contain much of the information needed to find answers. The daily sermons and evening classes during Yahweh's Feast Days, are a must for your Spiritual growth. The House of Yahweh Kohans (men), female Judges and Kohanahs (women) have been ordained by Yahweh for the purpose of seeing to the spiritual needs of Yahweh's People. Please seek counsel on any matter you have questions about.

If you have any other questions: men, please go to the Kohans, the Men's Registration Booth, Men's General Store or Men's South Office. Women, please go to the female Judges or Kohanahs, the Women's South Office, or the Women's General Store.
